EVALUATION METHODOLOGY FOR FEEDBACK ON TEACHER'S

- Evaluation of teaching can have many purposes, including collecting feedback for teaching improvement. The questionnaire is prepared in a such way that Instructional Delivery (including quality, amount, and level of classroom instruction) is measured
- It evaluates the overall performance of the teacher. Total 10 questions are given and answer on the scale of 1 to 5
- From each class approximately 10 to 20 % students are taken. (Students who are having attendance of more than 80%)
- Feedback is taken by using online system in the lab by creating one server machine connected in LAN in the year 2016-2017 and 2017-2018. From the year 2018-2019 onwards it is taken by using google form
- Statistical analysis average of each question student is found then total of all students average divided by no. of students will give overall average. this is evaluated value on the scale of 5
- Students additional can give special comment if any at the end of the form
