SUMMARY OF FEEDBACK ANALYSIS

ACADEMIC YEAR : 2016-2017

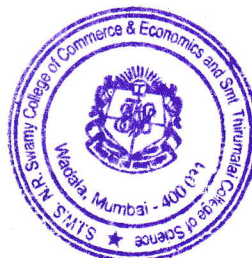

The continuous analysis of the teaching and learning process with the help of student's feedback helps the teachers and the college to improve the knowledge, skills and the quality of the education. The college periodically takes the feedback from students of all the courses as regards with the teachers and the college. The feedback is based on various factors and was taken towards the completion of academic year 2016-17 to acquaint with the opinion of the students regarding teachers, college campus, infrastructural facilities, college atmosphere and quality of teaching staff.

The following are the general observations from various types feedback received:

1. Teachers motivate students to participate in various curricular, cocurricular and extra-curricular activities
2. Teachers help students coming from weaker sections of the society
3. Students have understood the subject better due to the efforts of the teachers
4. Teachers complete the syllabus prescribed for the academic year
5. Teachers try to generate interest in students
6. Teachers create new ideas and increase the creativity of students
7. There is always interaction between students and teachers so that students can freely raise questions or doubts
