ACTION TAKEN REPORT ON FEEDBACK ACADEMIC YEAR : 2020 - 2021

IQAC makes it a tradition to mandatorily collect feedback from students through the feedback committee. It collects and analyse the feedbacks from students and submit action taken report to the authorities.

Objective: The objective of this exercise is to gauge the impact of all the efforts of the institution. The institution intends to enhance its benefits to reach out to all the students, teachers, alumni and employers. This feedback is collected and analyzed through statistical tools. Based on the opinions of the students, teachers, alumini and employers further action is taken by the feedback committee.

Student's Suggestion:

Suggestion	Action Taken
More practical training sessions desired by the students	Teachers have started involving themselves in giving more attention to practical sessions and making their teaching more experiential
Skill development and job oriented courses were requested	Certificate Course in Mutual Fund offered by National Institute of Securities Markets was introduced for commerce students. Certificate Course in E-filing under Income Tax Act and Corporate laws was introduced. Data Science course was commenced for Computer Science and IT students
The number of books in the library for BAMMC course were limited	The books for BAMMC in the library were purchased as recommended by the students

Teacher's Suggestion:

Suggestion	Action Taken
Teachers should have the freedom to adopt innovative techniques/strategies of teaching such as seminar presentations, group discussions etc.	The details of the feedback were received from the teachers. Teachers were told to enhance their pedagogical skills adopting innovative techniques and strategies. ICT classrooms were provided for Final Year students
Teaching methods and teaching aids must be improved	Online teaching through digital access were adopted for effective teaching. Computer labs were upgraded with Free Open Source Software to run web and mail

Alumni Suggestion:

Suggestion	Action Taken
Students suggested for improving the Canteen premises, Computer lab	The college has renovated the cafeteria for giving hygienic food for staff and students. The interior of the cafeteria is well designed to accommodate more than 100 students giving an ambience of comfort and solace A high-tech computer lab with LAN, internet services, hardware and software, was structured on the Second floor
Students recommended improvisation for Gymkhana	A turf was built up in the college premises for all sorts of outdoor games and another playground near King's Circle of the college was also developed with turf.

Employer's Suggestion:

Employer feedback is the most important determinant of the success of any educational institution. The employer's found the curriculum is relevant to the industrial needs and the students have cultivated soft skills, team building and leadership qualities.

Suggestion	Action Taken
Soft skills, Communication skills, job oriented courses were requested	Seminars, workshops on Soft Skills, Communication Skills and Job oriented Certificate courses were organized catering to the needs of the job market.
