Subject – Research and Consultancy

Dear Dr. Iyer,

We are manufacturers of Peacock Modelling Clay for students. We have been facing a "Color Bleeding" issue with the clay. When the children knead the clay for long, the color/ clay comes off on the hands. While all colors we use are Non-Toxic, we would like to rule out the issue altogether.

We have sanctioned an amount of Rs. 10,000 for the above Research proposal.

We would like to offer this Research and Consultancy for the faculty of your esteemed institute.

Regards,

Uday Limaye

Subject – Research and Consultancy

Dear Dr. Iyer,

We are manufacturers of Peacock Modelling Clay for students. Currently, we market our products through designated distributors in various regions/ states as well as through modern trade. We have not reached out to Educational chains or other educational institutions which do use clay as part of their syllabus. It would be an entirely new market for us, although before we proceed, we would like to know the following:

- ✓ Which brands are currently preferred in the schools?
- ✓ Would there be a preference for a "Made in India" brand at a competitive price?
- ✓ Does the school buy directly manufacturer or are there specific vendors they buy from?

We have sanctioned an amount of Rs. 10,000 for the above Research proposal.

We would like to offer this Research and Consultancy for the faculty of your esteemed institute.

Regards,

Uday Limaye

Sub: Our requirement of Research Project for chemical process industries.

Dear Madam,

We are in the field of latest technology of automation for process industries for more than 34 years.

We have customers all over India & abroad in Pharma, Sugar, Cement, Oil & Gas and refinery sectors.

Presently we are in a need of developing control philosophy for:

1. Reactors in pharmaceutical company
2. pH control system (Sulphitation & liming process) in sugar industry

Kindly send us your charges for offering the Research Project for above jobs.

Thanking you.

Yours faithfully,
For Indpro Electronic Systems (I) Pvt. Ltd.

Pratap Deshmukh
