Report on International Workshop on 'Research Methodology in Social Sciences'

The Departments of Business Economics and Commerce (Aided & Self-Finance Courses) jointly with Internal Quality Assurance Cell of S.I.W.S N.R. Swamy College of Commerce & Economics and Smt. Thirumalai College of Science in collaboration with International Institute for Population Sciences (IIPS) organized an International workshop on Research Methodology in Social Sciences from 5- 9 October, 2021.

116 participants participated in the workshop. The participants who registered for the program included post graduate students, research scholars and faculties from different parts of the country. **Dr. Ravi Verma**, Director of International Centre for Research on Women (ICRW) Asia Chapter, New Delhi was the Chief Guest and **Dr K.S James, Director**, IIPS was the Guest of Honour for the inaugural function. Principal Dr Usha Iyer addressed the participants and encouraged them with her motivating words. She explained the relevance of quantitative and qualitative research in social sciences, giving an overview of the topics selected for the workshop. Dr Ravi Verma graced the occasion with his keynote address on the significance of research and its implications on social sciences. He congratulated Dr Usha Iyer for conceptualizing the idea of holding a workshop on this important topic and highlighted the scope of research and its applications in day to day life. Dr James spoke about issues and concepts related to the research process and encouraged the delegates to undertake quality research.

Dr Dhananjay Bansod, Professor, Department of Public Health and Mortality Studies, International Institute of Population Sciences conducted the first day session on 'Significance of Research and Quantitative Research Methods for Social Sciences'. He spoke about meaning, importance, purpose and relevance of research in various fields. He highlighted the significance of research for government for policy making, surveys, demographers, educational institutions and students, different steps involved in research viz. conceptual phase, empirical phase and analytical phase. Further he spoke about types, methods of quantitative data measurement, collection of data through traditional and new methods like survey, interviews and questionnaire. He concluded the session with various strategies for designing questions for data collection, characteristics of a good questionnaire, the list of do's and don'ts of interview for data collection and pre-testing of collected quantitative data. Dr Bansod encouraged the participants to ask questions and answered all their questions.

MAJOR R. PARAMESHWARAN MARG, SEWRI – WADALA ESTATE,
PLOT NO. 337, WADALA, MUMBAI – 400 031.

On the second day, the session on ‘Qualitative Research Methods for Social Sciences-Referencing and Citation in Research’ was engaged by **Dr. Harihar Sahoo**, Associate Professor, Dept. of Development Studies, IIPS, Mumbai. Dr Sahoo spoke about sampling in qualitative research, concepts of social mapping and pile sorting, stages of participant observation, technique of conducting interviews, content analysis and meta analysis and importance of group discussion and transcription. Participants took keen interest and raised several questions related to qualitative research.

On the third day, **Dr. Venkata Putcha**, Director/Consultant, Sriv UK Ltd., Harrow, London, United Kingdom conducted a session on ‘How to publish research findings (peer reviewed journal) in Social Sciences’. He clarified important aspects related to impact factor, types of manuscripts, selection of best journals for publications, general structure of full articles and importance of working backwards in publications and thesis.

He further expressed his views on scientific language senses in developing a research title and scientific language in social science research.

On Day 4, the session on ‘Ethics and Integrity aspects of Social Science Research’ was conducted by **Dr. Srinivasa Rao**, Professor, Sociology of Education, Zakir Hussain Centre for Educational Studies, School of Social Sciences, Jawaharlal Nehru University. Dr Rao discussed sampling, its importance, academic integrity in research and prevention of plagiarism. He further discussed the stages in research and sampling decisions, truthfulness in research, identifying the problem and hypothesis. He also explained pre-requisites of a good questionnaire.

On the last day, **Dr Manas Ranjan Pradhan**, Assistant Professor, Department of Fertility Studies, IIPS spoke on ‘Research Proposal and Research Report Writing’. He emphasised on the writing skills required for a research proposal along with key ideas on how to frame appropriate research objectives. He explained in details the steps involved in drafting a research report and guided the participants in understanding the integrity of writing research proposals for academic purpose. Further, he explained the various components of research proposal that included introduction, methods and materials, analysis and planning, references and time schedule. He also threw light on different components involved in writing a research report and highlighted that the main purpose of research proposal is to convince the reader about the project values.

The session was followed by a valedictory function, in which **Dr Priya Emmart**, Deputy Director, Track 20, Avenir Health, Glastonbury, CT was the Chief Guest. The program began with a welcome address by Principal Dr Usha Iyer. Dr Iyer expressed her gratitude to the Chief Guests, Guests of Honour, program collaborators IIPS, resource persons and participants for making the workshop, a grand success. She wished the delegates a bright future ahead and urged them to take up research projects that are socially relevant. Dr Priya Emmart expressed her happiness over the conduct of the workshop and congratulated Principal Dr Usha Iyer for her fruitful efforts in making this workshop successful. She shared her research experiences and emphasized the importance of quality research. She encouraged the delegates to put the ideas of the speakers in practice and benefit from the same in the long run. The participants shared their feedback and mentioned that they gained immensely from the rich experience of every resource person. The function concluded with a formal vote of thanks by the I.Q.A.C. Coordinator and Vice Principal (Commerce) Mr. Vaibhav Banjan.

About IIPS

Started in 1956 under the joint sponsorship of Sir Dorabji Tata Trust, the Government of India and the United Nations, The International Institute for Population Sciences (IIPS) has established itself as the premier Institute for training and research in Population Studies for developing countries in the Asia and Pacific region. The Institute also provides consultancy to the Government and Non-Government organizations and other academic institutions.

About SIWS

The South Indians' Welfare Society (SIWS) was founded with the vision, 'Vidya Dhanam Sarva Dhanat Pradhanam'. The Society's activities have served and advanced the cause of education from primary to Ph.D. The college runs B.Com. & B.Sc.(Aided) along with self-financing courses like B.Sc.IT., B.Sc.CS., BMS, BBI, BAF and BAMMC, M.Sc.(I.T.), M.Sc.(Chem.) by Research, M.Com. in Accountancy, Business Management, Banking and Finance and Ph.D.(Commerce) in Business Economics.

Objectives

- To bring out the significance of research in social sciences
- To discuss the issues and concepts related to the research process
- To train participants write a research proposal and research report

Outcome

Participants will be able

- to understand basic research concepts, methodologies and significance of ethics in research
- to define research problems and develop the most appropriate methods for their research studies

BUSINESS LAW DEPARTMENT

Report on Faculty Development Programs held on 22nd & 23rd October, 2021

(2020-2021)

Date of the Event: 22nd & 23rd October, 2021

Time: 4 pm to 7 pm

No. of Faculties: 100

Objective:

- 1) To disseminate practical knowledge on the Scope and Fair Use of IPR. Create awareness among the teaching and research community on infringement of IPRs.
- 2) To get nuance on the registration of process and to develop interest in learning the recent development and application of IPRs in research and entrepreneurial scenario.

Resource person / Guest Speaker:

ACS Rushabh Desai, Dy. General Manager Secretarial, Omkar Realtors & Developers Pvt. Ltd.

Brief Report:

The Business Law Department of S.I.W.S. N. R. College of Commerce and Smt. Tirumalai Collage of Science in association with IQAC successfully conducted online faculty development program on **“Legal Aspects of Intellectual Property Rights (IPR)”**, under the guidance of Principal Dr. Usha Iyer, in online mode on 22nd & 23rd October, 2021, at 4 pm.

Day-1

The session was inaugurated by Principal Dr. Usha S. Iyer with an inaugural speech. CA. Vaibhav Banjan, IQAC Coordinator and Vice-Principal (Commerce) briefed about the Faculty Development Program. The resource person was introduced by Dr. Helen Mary Selvaraj.

The main objective of the program was to increase awareness among the faculties on issues related to Intellectual Property Rights (IPR). The program covered the following legal aspects of IPR:

- Scope of IPR
- Fair use of IPR
- Do's and Don'ts for a Researcher in publishing
- Monetization of IPR
- Registration Procedures
- Infringement of IPRs
- Recent trends in development of IPR, Research and Entrepreneurship in the global scenario

On the first Day of Session, the resource person, ACS Rushabh Desai acquainted the participants with the subject matter of Intellectual Property Rights, deliberated on Patents, Copyright Law for Academicians: Issues and Concerns, Trade Marks and Geographical Indications with latest case Laws.

Day-2

On the second Day of Session, the resource person interacted with the participants and elaborated on the Process and Procedures for registration of Patent, Copy Rights and Trade Marks. He also elaborated on infringement of IPRs and penal provisions.

The Program was well received and attended by over 100 faculties from different institutions across the State of Maharashtra.

The feedback received about the program was very encouraging and positive. The faculties attending the program were very happy about the deliberations and the relevance of the innovative ideas of Intellectual Property Rights in research work, shared during the program.

The participants remained energetic and enthusiastic throughout the sessions and actively participated in question and answer session. The program was well organized by the committee members, student volunteers support staffs under the directions and suggestions from the Honorable Principal and Vice-Principals.

The program was well managed by committee members, Vice Principal Aiyappan Iyer, Prof. Ravi Singh, Dr. Sangamitra, and well assisted by professors from both aided and unaided sections.

The session was concluded by votes of thank by Dr. Helen Mary Selvaraj.

All the participating faculties were presented with Certification of Participation.

Outcome:

- 1) The faculties learned the nitty-gritty of various provisions governing Patent, Copyrights, Trade Marks, Design, etc. Also enlightened on the concept of fair use and infringement of IPRs.
- 2) The faculties got knowledge on the procedures of registration and monetization of IPRs. Also received guidance on use of IPRs in research works and effective use of Information Technology.

NATIONAL WEBINAR

ON

COVID 19: CHALLENGES IN MATHEMATICAL MODELLING

TYPE OF THE ACTIVITY: Invited talk

TITLE OF THE TALK: "COVID 19: Challenges in Mathematical Modelling"

DATE OF THE TALK: June 8th, 2020

TIME: 11.00 am to 12.45 pm.

NAME OF THE SPEAKER: Professor Malay Banerjee

ABOUT THE SPEAKER: Professor Malay Banerjee is working as a Professor in The Indian Institute of Technology, Kanpur. He is a leading mathematical biologist in India.

OBJECTIVE:

The webinar was focussed on the mathematical modelling of epidemiology with special emphasis on COVID 19.

OUTCOMES: -

- 1) Dr Banerjee in his talk analysed the COVID data for various countries to build up the base for Kermack Mckendricks's SIR model for epidemics.

PLOT NO. 337, SEWREE, WADALA ESTATE, MAJOR R. PARAMESHWARAN MARG,
WADALA, MUMBAI - 400 031.

- 2) He discussed SEIJR and SEIQR models for the spread of COVID 19 which are basically ODE models besides touching upon various alternative approaches for the modelling of COVID 19.

NUMBER OF PARTICIPANTS: - 184.

The webinar was attended by several educationalists from India and Abroad, out of which **2 were from abroad (Sweden and Italy)** and rest from various parts of India. Many eminent mathematicians such as **Dr Amiya Bhowmick (Institute of Chemical Technology, Mumbai), Professor Mini Ghosh (Vellore Institute of Technology), Dr Prashant Srivastava (Indian Institute of Technology, Patna) and Dr Kajal Dey (Dean, Netaji Subhas Open University, Kolkata)** also registered for the webinar.

- Improved my modelling abilities. ~ Dr Margherita Carletti, University of Urbino, Italy
- Knowledge in the realm of mathematics and related to modelling, overall it was a fantastic joy ride for me to attend this webinar. Thank you. ~ Pandit Tushar Prashant, H. V. Desai College, Pune
- Technical information related to modelling I studied and Mr. Malay Sir explained the topic very deeply. It will surely increase our mindset areas for research and studies. ~Vinay Sanjay More, Gogate-Jogalekar College, Ratnagiri
- The webinar was quite enlightening with respect to the efforts made in the research and potential eradication of this virus and the different mathematical models being explored. Providing an insight into the real-life research conducted at a higher level is much appreciated especially from a college student's perspective. ~Elwyn Xavier Cardoz, St. Xavier's College (Autonomous), Mumbai
- I got to learn about 1. Different compartment models that can approximately describe the present scenario. Sir told at the starting that these are just models not the exact representations. 2. How much accurately we can model the COVID scenario taking into account all the factors. ~Pranali Roy Chowdhury, IIT Kanpur
- The presentation is very informative. There are lots of things to know from this presentation. Also as a researcher in this field, the presentation helps a lot for both of the beginners and as well as seniors. ~ Deepta Jyoti Sen, IIT Kanpur
- Excellent resources on the Mathematical Epidemiology.~ Amiya Ranjan Bhowmick, ICT Mumbai
- The webinar was very informative. I learn the statistical approach towards COVID-19. It was such a useful session to me. ~Shivani Sundariyal, S. S. J. Campus, Kumaun University, Nanital

- Very Informative session and very much inspired by the content. I am sure this will definitely helps me out for my research. ~ Aayush Verma, Shri Vaishnav Institute of Forensic Science, Indore
- Mathematics and its applications are prominent and very much relevant in life scenarios. Thanks for the session. ~ Prachi Sharma, University of Delhi
- Mathematical simulations are the best part of the webinar, and as Professor Banerjee has described, it will help in future research. ~ Jyotiska Dutta, Central University of Odisha

Wadala(W),Mumbai - 400 031

successfully conducted Two days Webinar on **“Impact of Force Majeure Clause during COVID-19 Pandemic”** and **“Intellectual Property Rights”** under the aegis of Principal Dr. Usha S. Iyer, on 11th & 12th June, 2020, live streamed on S.I.W.S. College Website, from 3 p.m. to 4 p.m.

The sessions were inaugurated by Principal Madam with a warm welcome speech. The resource persons were introduced by Prof. Arul Kumar.

Day-1

Advocate Yatin Pandit, delivered a talk on **“Impact of Force Majeure Clause during COVID-19 Pandemic”** enlightening the participants with crisp and lucid contents, receiving great applauses from the faculties and students. Though the subject was technical, the speaker made the topic very simple and made the participants to understand the concept of Force Majeure and its relevance and significance of its role in today’s scenario which deals with relief from contractual obligation and liabilities of the parties due to natural calamities and pandemics.

The speaker elaborated the recent worldwide cases cropped up in this uncertain situation and the challenges faced by various businesses, trades and professional communities at national and international level.

Day-2

Advocate Suyash V. Pradhan, delivered a talk on **“Intellectual Properties Rights”** covering concepts of Patent, Patentable Inventions, and Patent Filing with examples and case laws. He explained the Copy Rights, the duration of rights, plagiarism, importance and significant of registration of Copyright and its process. An elaborate presentation was made on Trade Mark, its classifications and the present case laws. Finally he touched upon the concept of Geographical

Indications with interesting case laws. The presentation was full of real case details, illustrations and images relevant to the topics.

The IPR subject is the need of the hour as the studies show that IP-intensive industries employ hundreds of millions of people worldwide. Jobs in IP-intensive industries are expected to grow faster over the next decade in India.

The Two Days Webinar was well received and attended by over 256 participants consist of faculties, students and professionals from various states in India and abroad.

Status of Participants

The participants showed great interest on the webinar by asking various questions and providing positive feedbacks on the conduct of webinar and on the deliveries of resource persons.

Few of the Feedbacks and Suggestions as provided by the participants are as following:

I really appreciate the efforts to organize such an amazing webinar for students.
Looking forward to more webinar sessions.
This session is very useful for me. Thank you for sharing this great content.
The session was really good and very informative. Thank you all who arranged this session.
Importance of having a force majeure clause in contracts to safeguard one's interests. Clarity in the explanation of the concept.
The overall execution was great and speaker had vast knowledge. I would like to attend more webinars like this.
I like the concept that they taught regarding the intellectual rights.
Topic is very well explained.
It was immense pleasure for me to attend this series of webinar. I would like to attend more webinars related to law in near future.
As a person interested in arts this shall be useful for me to inculcate in my life.
Got to learn new facts from a wonderful session. Kudos to LAW Dept of S.I.W.S College.

Counseling Cell 2018-19

Report on “Counseling Workshop under Skill Sathi Scheme”

conducted on 13th and 14th February 2019.

20-02-2019

Objectives:

- To expose students to skill ecosystem
- To provide alternative career pathways based on aspirations and profiles.

The Counseling Cell and the Department of Business Economics jointly helped conduct a Counseling Workshop under Skill Sathi Scheme.

The workshop was conducted on **13th and 14th February 2019** by **Counseling Implementing Organization(CIO) National Yuva Cooperative Society Limited (NYCS)** under the aegis of the **Ministry of Skill Development and Entrepreneurship(MoSDE)**. This program has been rolled out by the MoSDE through the Pradhan Mantri Kaushal Kendra's (PMKKs) with more than 400 PMKKs across India and many NGO's being nominated as Counseling Centre's.

The workshop conducted psychometric assessment and registration of students and provided them with details of nearest training centers to enhance professional skills.

There was active participation by the students with **969** students successfully registering with the CIO across the two day workshop

Outcomes:

- Free psychometric analysis for participants
- Students got an insight about skills they possess
- Availability of training centers to enhance professional skills

Subject: - Counseling workshop in your College Premises

Respected Madam,

NYCS is to enclose herewith a letter received from the Ministry of Skill Development and Entrepreneurship regarding the Counseling workshops being organized by the MoSDE in schools and colleges with a view to expose students of schools and colleges as well as dropouts to the skill ecosystem and provide ultimate/complimentary career pathways based on their aspirations and profiles. Further, in order to benefit maximum number of students, MoSDE will need to utilize the premises of the Government schools for rendering the counseling sessions to the students.

It is felt that these counseling sessions will benefit the students and help them in selecting the correct career path and aid in their professional and personal growth. Therefore, you are requested to kindly facilitate in organizing these counseling sessions in your college premise and also encourage the students to take part in these sessions.

We request you to help us in taking this program in your college campus and get involve all the students of your college.

Thanking You, In Anticipation, We Remain,

Yours Truly,

Vivek Surve

Subject :- Counselling workshops in schools.

Madam/Sir,

The undersigned is to enclose herewith a letter received from the Ministry of Skill Development and Entrepreneurship regarding the Counselling workshops being organised by the MoSDE in schools and colleges with a view to expose students of schools and colleges as well as dropouts to the skill ecosystem and provide alternate/complimentary career pathways based on their aspirations and profiles. Further, in order to benefit maximum number of students, MoSDE will need to utilise the premises of the Government schools for rendering the counseling sessions to the students.

It is felt that these counselling sessions will benefit the students and help them in selecting the correct career path and aid in their professional and personal growth. Therefore, you are requested to kindly facilitate in organizing these counselling sessions in the Government schools and also encourage the students to take part in these sessions.

This issues with the approval of Secretary (SE&L).

Yours faithfully,

(Sushil Bhushan)

Under Secretary to the Government of India

Skill India
कौशल भारत - कुशल भारत

7th September, 2018

D.O. No. SCH-15/1/2017-SNP

Dear Sir/Madam,

Ministry of Skill Development and Entrepreneurship is planning to initiate a Mega Counselling exercise with the view to expose students of schools and colleges as well as dropouts to the skill eco system and provide alternate/complimentary career pathways based on their aspirations and profiles. This is a part of the larger Skill India Mission which was launched by Government of India to empower the youth of the country with skill sets which make them more employable and more productive in their work environment.

2. This counselling program has been designed such that it will entail technology for the psychometric assessment of the candidates as well as person to person session. This process has been designed such that students are given a comprehensive feedback on the career pathways. As a part of the session, the students will also be provided with the details of the nearest training centers where they can further pursue the details of the programs available.

3. MSDE is in a process of rolling out this program through PMKK's (Pradhan Mantri Kaushal Kendra) wherein more than 450 PMKK's across India has been nominated as counselling centers. However, in order to benefit maximum number of students, MSDE would like further create touch points apart of PMKK's through various Central and State Government Institutions. We would like seek support from State Education Departments/Directorates for utilizing premises of State run & other affiliated Schools(Both Government and Private) and State University Campuses and its affiliated Colleges(Government and Private) for rendering counselling sessions to the both the students from the schools/colleges as well as other candidates from the vicinity. National Skill Development Corporation counselling teams shall coordinate with the nominated officers/Principals from your department for identification of space for setting up counselling camps, mobilizing of students and support for counselling the students. NSDC Counselling team shall coordinate with the nominated local officers firming up the details for counselling sessions on a mutually convenient date and time.

We look forward to your support for making this program a success.

Rajesh

Yours sincerely,

(Rajesh Agrawal)

27/11/2018

Subject: Authorization Letter for conducting Counselling Sessions by Non-Government Counselling Implementing Organizations (CIOs) for Skill Saathi

Dear Madam/ Sir,

NSDC under the aegis of Ministry of Skill Development and Entrepreneurship has initiated a Mega Counselling campaign by the name of 'Skill Saathi' - with the view to counsel students of schools, colleges and dropout candidates about the Skill Eco System to make them aware of career pathways based on their aspirations and interest profiles. This is part of the larger Skill India Mission which was launched by Government of India, in 2015, to empower the youth of the country with skill sets which make them more employable and more productive in their work environment.

Skill Saathi has been designed such that it includes a psychometric assessment of the candidates. As part of the session, students will be oriented towards the various avenues that are available along with success stories shared from the skilling fraternity.

NSDC has rolled out this program through Non-Government Counselling Implementing Organizations (CIOs) wherein CIOs have been nominated as a Counselling Implementing Organizations (CIOs) for conducting Counselling Sessions. However, in order to benefit maximum number of students, NSDC would like to further create touch points apart from Non-Government Counselling Implementing Organizations (CIOs) through various Private, Central and State Government institutions like schools and colleges, etc. to help conduct Counselling Sessions by joining hands with the Non-Government Counselling Implementing Organizations (CIOs).

Thus, we would like to your seek support to allow the said Non-Government Counselling Implementing Organizations (CIOs) (list below) for counselling the students in your school/college.

We look forward to your support for making 'Skill Saathi' a success!

With Best Regards,

Dr. Archana Singh

CHEMISTRY DEPARTMENT

October 7, 2017

Report on National Workshop on Electron Microscopy of Nanoparticles-

Department of Physics and Chemistry conducted a National Workshop on *Electron Microscopy of Nanoparticles*, in association with National centre for Nanosciences and Nanotechnology, University of Mumbai, on September 23, 2017. The schedule of workshop was divided into two sessions - the first session of the workshop was held in the seminar room of our college and the second session was held at National Centre for Nanosciences and Nanotechnology, University of Mumbai, Kalina Campus.

Objectives:

- To provide a platform for future exchange of ideas and research in Nanoparticles
- To provide in-depth theoretical and practical knowledge to faculty and students working on different facets of nanoparticle characterisation using electron microscopy.
- To provide the latest updates about the materials research and the advancements achieved in the upcoming and novel areas

The first session of the workshop consisted of three lectures by three eminent scientists of international fame.

- **Prof. Pushan Ayyub**, Senior Professor and Chair of the Department of Condensed Matter Physics and Material Science, Tata Institute of Fundamental Research, Homi Bhabha Road, Mumbai - 400 005, was the *Chief Guest of the Workshop, as well as the speaker of the first session.*

The topic of his talk for the workshop was - Looking at Nanostructures by High Resolution Electron Microscopy: Pros and Cons

During his hour long talk, Prof. Ayyub discussed in detail the technical aspects of **High Resolution Electron Microscopy**. He explained about the technique, for the study of structure and composition at the scale of nanometers (0.1-10nm), i.e., in nanostructured materials. While the diameter of a Hydrogen atom is 0.1 nm and a Lithium atom is 0.3 nm, the best modern TEMs can “see” down to 0.07 nm! The 1-Angstrom (=0.1nm) barrier was broken over 10 years back with the invention of the aberration corrected TEM. But many of us still use a TEM only to find the particle size of nanoparticles which are 5-50nm in size! While

electron microscopy gives us crucial information about the shape and size distribution, Sir will told us about several critical – and frequently unrecognized – pitfalls that we often face when we use TEM for the routine determination of mean particle size in nanostructured systems. Electron microscopy is irreplaceable for the study of nanomaterials.

➤ **Dr. Deepa Khushalani**, Associate Professor in Materials Chemistry, Dept. of Chemical Sciences, Tata Institute of Fundamental Research, Homi Bhabha Road, Mumbai - 400 005, was *the speaker of the second session*.

Dr. Khushalani has many recognitions and award to her credit-

Her research areas are: Synthesis, characterization and application of a variety of inorganic structures such that (1) the morphology, phase, and size are carefully manipulated so that there is precise control over homogeneity and compositional purity, (2) the ensuing materials are applied in areas such as heterogeneous photocatalysis, biosensors, components in solar cells and in energy storage devices (such as batteries and supercapacitors) and also for drug delivery applications. Her other activities: Extensively involved in Science Outreach and actively promoted basic sciences within rural and economically deprived areas of India. Given several workshops/lectures and mentoring sessions.

The topic of her talk for the workshop was - Electron Microscopy: An Invaluable Tool in Study of Functional Materials

➤ **Dr. Andy Sen**, National Manager (ICON Analytical, India), Application Specialist and Sales, was the *speaker for the third session*. His achievements are as follows-

Currently, he is the National Manager (ICON Analytical, India) Application Specialist and sales.

2014-2017 Application Specialist in JEOL Tokyo and Visiting Faculty at Bionano Center, Toyo University, Japan (working as co-Principal Investigator)

2012-2014 Assistant Professor (Research) at Graduate School of Medicine. University of Tokyo. JAPAN

2009-2011 Senior Research Fellow, & Affiliated Investigator at the Maurice Wilkins Centre, School of Biological Sciences (SBS). University of Auckland. New Zealand.

2007-2009 Research Associate. University of Virginia. USA.

2004-2007 Post-Doctoral Fellow. LSBR, NIAMS, National Institutes of Health. USA.

2004. PhD at the National Institute of Cholera and Enteric Diseases, Kolkata & University of Calcutta. India.

The topic of his talk for the National Workshop was - Application of electron microscopes in the development of therapeutic nano-medicines

In all, **85** faculty and research students, participated in the workshop. After the lunch break, in the second part of the workshop, all the participants visited the state-of-the-art laboratories of National Centre for Nanosciences and Nanotechnology, University of Mumbai, Kalina Campus. The director of Nanoscience centre, Dr. Santosh Haram, gave away participation

certificates to the delegates, at a short and impressive Valedictory function held at AV Auditorium of Nanoscience centre, at the end of the workshop.

The organising committee of the workshop thanks Principal Dr. Usha Sukumar Iyer, for her invaluable guidance and untiring support at each and every stage of the workshop. Without her support, the workshop would not have happened. We thank our Management for their financial support and encouragement. Our sincere thanks to Dr. Santosh Haram, Director, National Centre for Nanosciences and Nanotechnology, University of Mumbai for his collaborative support. Thanks to the chief guest, all the speakers, advisory committee members, delegates, entire teaching and non-teaching staff of SIWS college, bus service provider for visit to Nanoscience centre and Rounak Caterers for delicious lunch.

Outcome:

- 85 participants gained plethora of information from the eminent speakers
- Visit to the state - of the - art laboratories provided better understanding of nanoparticle characterisation

About the College

The South Indian Welfare Society was established in 1934 with the primary objective of providing educational facilities to the local population. The organization has grown from a primary school into a multidisciplinary institution, offering education from K.G. to Ph.D. under one umbrella. The Commerce degree college was set up in 1980 and the Science stream in 1990.

Besides regular graduate programs in Commerce and Science, the college offers self-financing programs in B.M.S., B.B.I, B.A.F, B.M.M., B.Sc.(Computer Science) and B.Sc.(I.T.) and post graduate programs in M.Com., M.Sc.(I.T.) and M.Sc.(Chemistry-by research). The College is recognized as a Ph.D. centre in Business Economics.

We believe that our motto, 'Vidya Dhanam Sarva Dhanat Pradhanam' is the driving force that motivates us in all our endeavours.

About the Workshop

Nanotechnology is at the forefront of novel materials development. Nanoparticle size characterization forms an important step in nanotechnology R&D. Electron microscopy is one of the most powerful methods for determining these critical performance defining attributes. Microscopy also plays an important role in validating the reliability of other routine particle sizing techniques, such as laser diffraction or dynamic light scattering. Electron microscopy is responsible for some of the most detailed nano and microscopic images ever produced. Beyond their aesthetic appeal, this advanced particulate insight has helped researchers to accelerate development in areas as diverse as cement composition to forensic sciences.

Electron microscopes are very expensive to buy and maintain. Access to these instruments is a herculean task. A significant amount of training is required in order to operate an electron microscope successfully and it is considered to be a specialised skill. The samples have to be viewed in vacuum as the molecules that make up air would scatter the electrons. This means that the samples need to be specially prepared by lengthy and difficult techniques to withstand the environment inside an electron microscope.

S.I.W.S

The workshop will provide specialised training to the researchers which will benefit them immensely in the characterization of Nanoparticles. The workshop will comprise of plenary sessions and invited talks by the eminent scientists, followed by visit to state-of-the-art laboratories at National Centre for Nanosciences and Nanotechnology, University of Mumbai.

Objective

- To provide indepth theoretical and practical knowledge to faculty and students working on different facets of Nanoparticles characterization using electron microscopy.
- To provide latest update about Materials Research and the advancements achieved in the upcoming and novel areas.
- To provide a platform for future exchange of ideas and research.
- To demonstrate the use of electron microscope and other highly sophisticated instruments for nano-particle characterization.

Registration Form

I wish to participate in the National Workshop on 'Electron Microscopy of Nanoparticles', organized by Department of Physics and Chemistry, S.I.W.S. College, Mumbai, in association with National Centre for Nanosciences and Nanotechnology, University of Mumbai, on September 23, 2017.

Mr/Ms/Dr. _____
(First Name) (Middle Name) (Last Name)

Registration as: Teacher Student Corporate

Department / College / Institution: _____

Address: _____

Mobile No.: _____

Email Id: _____

Date: _____ Signature: _____

Registration Fees:

Corporate Delegates: ₹ 1500/-

Faculty: ₹ 800/-

Student: ₹ 600 /-

Registration fees will be accepted by cash at S.I.W.S. College or can be sent through Demand Draft / Cheque in favour of "The Principal, S.I.W.S. N.R. Swamy College of Commerce and Economics" payable at Mumbai. Registration can be done offline/online. For online registration visit -

WORKSHOP ON “COMPUTATIONAL MATHEMATICS & STATISTICS WITH R”

Department of Mathematics

TITLE OF ACTIVITY: Workshop On “Computational Mathematics & Statistics With R”

OBJECTIVE:

- Learn to solve problems of Mathematics and Statistics with the help of “R” software

DATE: 4th March, 2017

ABOUT WORKSHOP:

S.I.W.S College Mathematics Department conducted a one-day National level workshop on 4th March, 2017. The workshop was on “**Computational Mathematics & Statistics with R**”. 39 participants attended the workshop: participants were Mathematics and Statistics Professors from various parts of Mumbai, Thane and Goa.

The workshop started with the customary lighting of lamp by Dr. Narasimhan Chari (Phd from Purdue University, U.S.A) who is a eminent Mathematician, Dr.Ajit Kumar (ICT) resource person for the workshop, Dr. Usha Sukumar Iyer Principal of the college and Mr. Shashikanth Joshi H.O.D of Mathematics department. The workshop then began with a welcome message by the College Principal Dr. Usha Sukumar Iyer. Thereafter; Dr. Narasimhan Chari in his speech emphasized the use of software to solve different Mathematical and Statistical problems, which will be beneficial for the Teachers and Students in near future.

Inaugural session was followed by the Lab session; Dr.Ajit Kumar explored the different areas and problems of Mathematics and Statistics with the help of “R” software. The methodology used was mainly hands on training, by working with concrete Mathematics and Statistics problem.

NO. OF PARTICIPANTS: 39

OUTCOME:

- Participants were able to solve different Mathematical and Statistical problems using R software, which will be beneficial for the Teachers and Students in near future.

ABOUT COLLEGE

The S.I.W.S.N.R. Swamy college of Commerce and Economics & Smt. Thirumalai College of Science, Wadala,Mumbai- 400 031 is run by "The South Indians Welfare Society" since 1980 for Commerce and 1990 for Science.

S.I.W.S College is a premiere institution imparting knowledge from K.G. to P.G. level. Our Motto is "Vidya Dhanam Sarva Dhanat Pradhanam." Its main objective has been to impart quality education with values. Our College caters to the needs of the people of the locality of Wadala, Sion, Koliwada, Matunga, Dadar and Sewree areas in providing education in the field of Commerce & Science. The College is located at a prime locality, approachable from all parts of the city.

"The South Indian Welfare Society" was founded in 1934 with an objective to provide educational facilities to the local population. Initially, the Society started a Primary School at Shivaji Park, Dadar in 1934 and another at Matunga in 1936. In 1976, a Junior College of the Commerce Stream was begun, followed by the opening of a Degree College in Commerce and Economics in June 1980 and Science in 1990. The Alumni of S.I.W.S College have reached various milestones in their respective careers. The College has established its reputation and image as a leading educational organization in the fields of Commerce, Science and Management.

ABOUT THE DEPARTMENT

The Department of Mathematics was established in 1980 for teaching Mathematics and Statistics in Commerce at Degree level. Mathematics at B.Sc. was started in 1990. Since then it has been consistently endeavoring to strengthen the academic foundations by exploring new areas in Mathematics. Well qualified teachers, specialized in various disciplines is a unique feature of the department. Currently there are approximately 1350 students, attached to Department of Mathematics.
