Report on International Workshop on 'Research Methodology in Social Sciences'

The Departments of Business Economics and Commerce (Aided & Self-Finance Courses) jointly with Internal Quality Assurance Cell of S.I.W.S N.R. Swamy College of Commerce & Economics and Smt. Thirumalai College of Science in collaboration with International Institute for Population Sciences (IIPS) organized an International workshop on Research Methodology in Social Sciences from 5- 9 October, 2021.

116 participants participated in the workshop. The participants who registered for the program included post graduate students, research scholars and faculties from different parts of the country. **Dr. Ravi Verma**, Director of International Centre for Research on Women (ICRW) Asia Chapter, New Delhi was the Chief Guest and **Dr K.S James, Director**, IIPS was the Guest of Honour for the inaugural function. Principal Dr Usha Iyer addressed the participants and encouraged them with her motivating words. She explained the relevance of quantitative and qualitative research in social sciences, giving an overview of the topics selected for the workshop. Dr Ravi Verma graced the occasion with his keynote address on the significance of research and its implications on social sciences. He congratulated Dr Usha Iyer for conceptualizing the idea of holding a workshop on this important topic and highlighted the scope of research and its applications in day to day life. Dr James spoke about issues and concepts related to the research process and encouraged the delegates to undertake quality research.

Dr Dhananjay Bansod, Professor, Department of Public Health and Mortality Studies, International Institute of Population Sciences conducted the first day session on 'Significance of Research and Quantitative Research Methods for Social Sciences'. He spoke about meaning, importance, purpose and relevance of research in various fields. He highlighted the significance of research for government for policy making, surveys, demographers, educational institutions and students, different steps involved in research viz. conceptual phase, empirical phase and analytical phase. Further he spoke about types, methods of quantitative data measurement, collection of data through traditional and new methods like survey, interviews and questionnaire. He concluded the session with various strategies for designing questions for data collection, characteristics of a good questionnaire, the list of do's and don'ts of interview for data collection and pre-testing of collected quantitative data. Dr Bansod encouraged the participants to ask questions and answered all their questions.

MAJOR R. PARAMESHWARAN MARG, SEWRI - WADALA ESTATE,
PLOT NO. 337, WADALA, MUMBAI - 400 031.

On the second day, the session on 'Qualitative Research Methods for Social Sciences-Referencing and Citation in Research' was engaged by **Dr. Harihar Sahoo**, Associate Professor, Dept. of Development Studies, IIPS, Mumbai. Dr Sahoo spoke about sampling in qualitative research, concepts of social mapping and pile sorting, stages of participant observation, technique of conducting interviews, content analysis and meta analysis and importance of group discussion and transcription. Participants took keen interest and raised several questions related to qualitative research.

On the third day, **Dr. Venkata Putcha**, Director/Consultant, Sriv UK Ltd., Harrow, London, United Kingdom conducted a session on 'How to publish research findings (peer reviewed journal) in Social Sciences'. He clarified important aspects related to impact factor, types of manuscripts, selection of best journals for publications, general structure of full articles and importance of working backwards in publications and thesis.

He further expressed his views on scientific language senses in developing a research title and scientific language in social science research.

On Day 4, the session on 'Ethics and Integrity aspects of Social Science Research' was conducted by **Dr. Srinivasa Rao**, Professor, Sociology of Education, Zakir Hussain Centre for Educational Studies, School of Social Sciences, Jawaharlal Nehru University. Dr Rao discussed sampling, its importance, academic integrity in research and prevention of plagiarism. He further discussed the stages in research and sampling decisions, truthfulness in research, identifying the problem and hypothesis. He also explained pre-requisites of a good questionnaire.

On the last day, **Dr Manas Ranjan Pradhan**, Assistant Professor, Department of Fertility Studies, IIPS spoke on 'Research Proposal and Research Report Writing'. He emphasised on the writing skills required for a research proposal along with key ideas on how to frame appropriate research objectives. He explained in details the steps involved in drafting a research report and guided the participants in understanding the integrity of writing research proposals for academic purpose. Further, he explained the various components of research proposal that included introduction, methods and materials, analysis and planning, references and time schedule. He also threw light on different components involved in writing a research report and highlighted that the main purpose of research proposal is to convince the reader about the project values.

The session was followed by a valedictory function, in which **Dr Priya Emmart**, Deputy Director, Track 20, Avenir Health, Glastonbury, CT was the Chief Guest. The program began with a welcome address by Principal Dr Usha Iyer. Dr Iyer expressed her gratitude to the Chief Guests, Guests of Honour, program collaborators IIPS, resource persons and participants for making the workshop, a grand success. She wished the delegates a bright future ahead and urged them to take up research projects that are socially relevant. Dr Priya Emmart expressed her happiness over the conduct of the workshop and congratulated Principal Dr Usha Iyer for her fruitful efforts in making this workshop successful. She shared her research experiences and emphasized the importance of quality research. She encouraged the delegates to put the ideas of the speakers in practice and benefit from the same in the long run. The participants shared their feedback and mentioned that they gained immensely from the rich experience of every resource person. The function concluded with a formal vote of thanks by the I.Q.A.C. Coordinator and Vice Principal (Commerce) Mr. Vaibhav Banjan.

About IIPS

Started in 1956 under the joint sponsorship of Sir Dorabji Tata Trust, the Government of India and the United Nations, The International Institute for Population Sciences (IIPS) has established itself as the premier Institute for training and research in Population Studies for developing countries in the Asia and Pacific region. The Institute also provides consultancy to the Government and Non-Government organizations and other academic institutions.

About SIWS

The South Indians' Welfare Society (SIWS) was founded with the vision, 'Vidya Dhanam Sarva Dhanat Pradhanam'. The Society's activities have served and advanced the cause of education from primary to Ph.D. The college runs B.Com. & B.Sc.(Aided) along with self-financing courses like B.Sc.IT., B.Sc.CS., BMS, BBI, BAF and BAMMC, M.Sc.(I.T.), M.Sc.(Chem.) by Research, M.Com. in Accountancy, Business Management, Banking and Finance and Ph.D.(Commerce) in Business Economics.

Objectives

- To bring out the significance of research in social sciences
- To discuss the issues and concepts related to the research process
- To train participants write a research proposal and research report

Outcome

Participants will be able

- to understand basic research concepts, methodologies and significance of ethics in research
- to define research problems and develop the most appropriate methods for their research studies

Report on 'Webinar titled Values: A Compass for Navigating Uncertain Times'

Academic Year-2020-2021

Introduction: The Universal Human Values Cell, University of Mumbai in collaboration with the IQAC and the Department of Business Communication of SIWS College conducted a Webinar- 'Values: A Compass for Navigating Uncertain Times' on 27 November, 2021 using the Digital Video Conferencing platform "Zoom". The event began with a welcome address by Dr Kirti Y. Nakhare, Dept of Business Communication, SIWS College and UHV Cell member. Greetings and pleasantries were exchanged between the resource people and SIWS College staff members. Dr. Usha S. Iyer, Principal, SIWS College, and Dr Sybil Thomas, Co Ordinator, UHV Cell, University of Mumbai addressed the audience on the importance of values and the role played by values in our day-to-day lives.

Objectives of the webinar: To introduce values to students and to stress on the importance of values

Outcome of webinar: Students were able to connect with the speakers and realised the importance of values and its application in everyday situations. 51 students attended the webinar.

Resource People: The webinar comprised five speakers, whose sessions touched upon various aspects pertaining to values. The first speaker Dr Smita Shukla's In-charge director of Alkesh Dinesh Mody Institute for Financial and Management Studies aptly titled her session 'Role of Human Values in Commerce and Business' Dr Shukla touched upon business ethics and aligned areas related to commerce and management.

The second speaker, Prof Vasanthi Kadhiravan, Professor, Dept. of Physical Education, dealt with Sound Body. Prof Kadhiravan stressed upon the need to have a sound physical body and suggested ways to ensure physical well-being.

The third speaker, Prof Linda Dhakul, Assistant Professor, St.Xavier's College, Mumbai dealt with Sound Mind. Prof Dhakul discussed at great length the predicament of human beings during the current Corona pandemic. As a professional specialised in the study of the human mind, Prof Dhakul suggested ways of ensuring

mindfulness and taking care of the mind during challenging times as these.

The fourth speaker, Dr Priya Vaidya, Associate Professor, Dept. of Philosophy, University of Mumbai, titled her talk - Self Audit and Human Values. Dr Vaidya suggested ways of taking charge of one's life and suggested ways to lead a fulfilled life.

The fifth speaker Dr Wilbur Gonsalves, Assistant Professor, Dept. of Applied Psychology, University Of Mumbai delivered his talk titled 'From Self Awareness to Self-Development'. Dr Wilbur suggested ways of assessing one's potential and working on the short comings.

The Principal,
SIWS NR Swamy College of Commerce & Economics and
Smt. Thirumalai College of Science
Wadala, Mumbai.

Respected Madam,

This is to place on record our deep appreciation from the University of Mumbai's UHV Cell. It was a pleasure to collaborate with you all and interact with your vibrant students and teachers during the collaborative webinar titled "Values: A Compass for Navigating in Uncertain Times" organised on Saturday, 27th November, 2021. Each resource person feels enriched after interacting with you all and learning through engagement.

Your precision in planning and the vision for incorporating values in the curriculum is what we have appreciated.

We would like to place on record our appreciation to your faculty, especially Dr. Kirti Nakhare who under your leadership so efficiently helped in bringing the two institutions together.

Your presence throughout the program was an encouragement to all of us.

Looking forward to future collaborative activities.

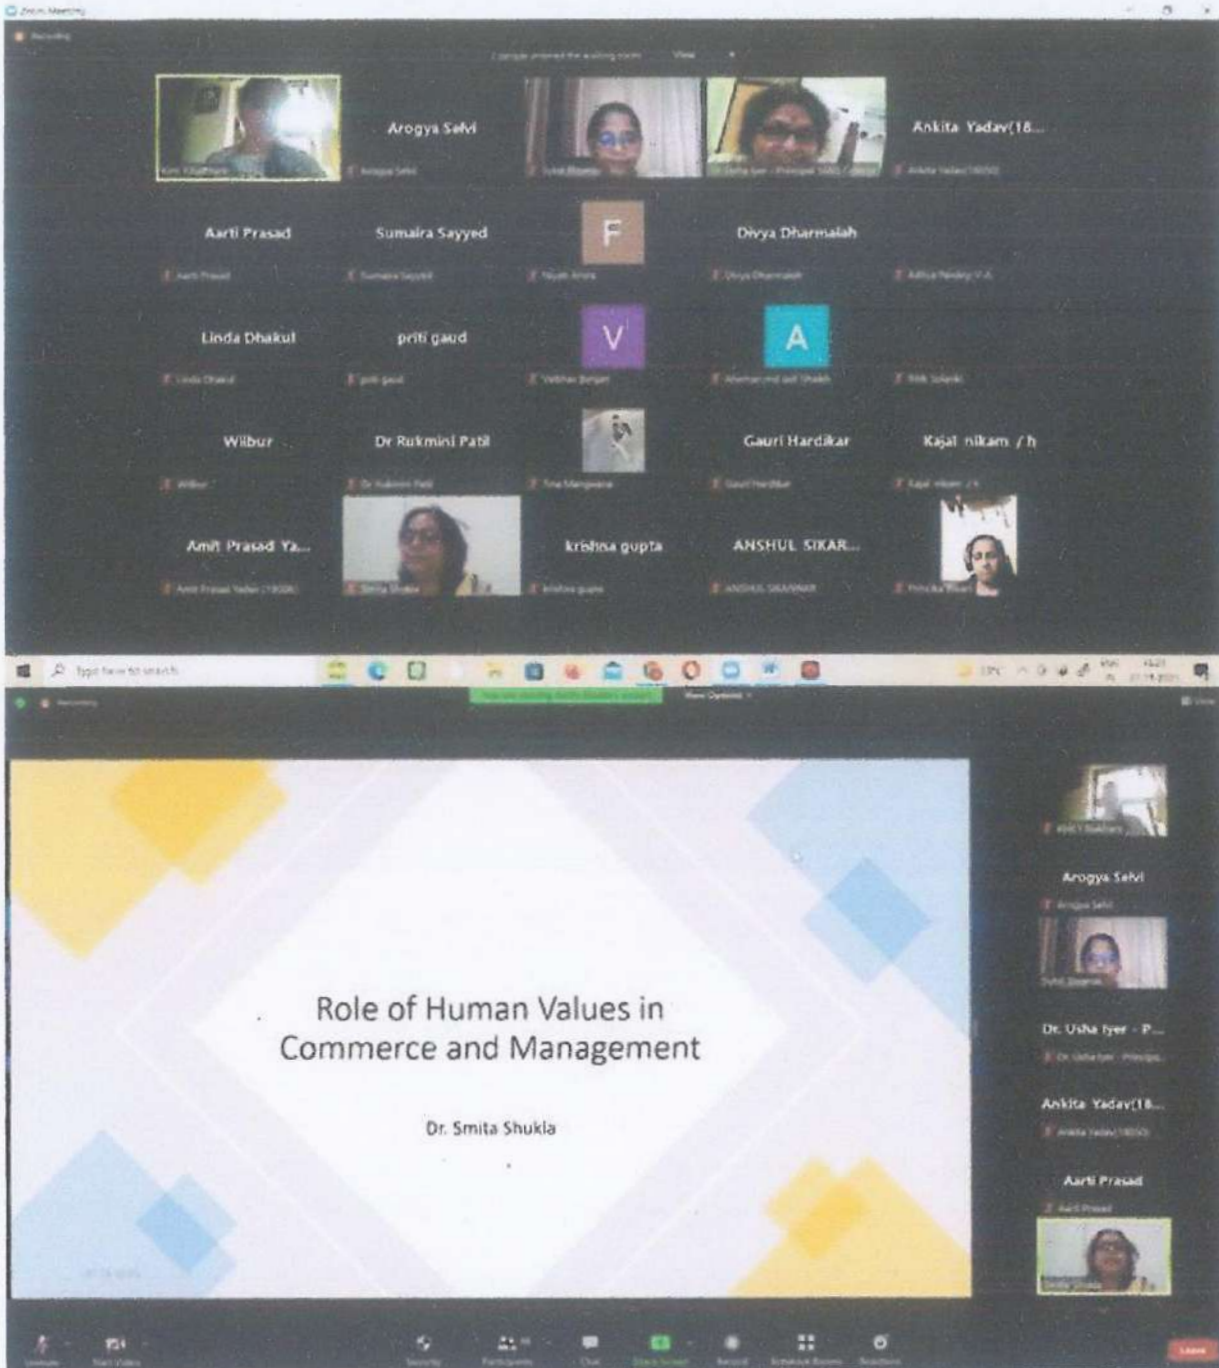

Regards

Prof. Sybil Thomas

24th February, 2021

Department of Microbiology

Academic Year 2020-21

Report of Microbia 21 (An Intercollegiate Fest)

Title: "Microbia 21 - An Intercollegiate Fest"

Date of event: 21st February 2021

Time: 2.00 pm to 7.00 pm

Objectives:

1. To have a learning with fun event for students
2. To hone organizing skills in students
3. To enable students to interact with other college students through an intercollegiate event.

Chief Guest: Dr. Arvind Deshmukh, President, Microbiologist Society, India

Brief Report:

The Department of Microbiology had organized an Intercollegiate fest "**MICROBIA**" on 21st February 2021 with a theme "**Learning with Fun**" hosted by the undergraduate students of Microbiology of our College.

The **objective** of the event was "To impart learning with Fun opportunity among students, and also enhance their organizational skills."

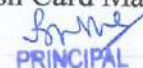

The following events were organized as part of this intercollegiate microbiology fest which was conducted online:

- 1) Flash card making
- 2) Bio-poetry
- 3) Star event comprising of 4 rounds – Microbiology Quiz, Meme Circle, Crossword and Symbiotic pairs
- 4) Word search and Microbiological Antakshari which were fun games

The Chief Guest for the inauguration function was Dr. Arvind Deshmukh, President, Microbiologist Society, India

Dr Sanjeev Patankar, President, Microbiologist Society India, Maharashtra State and Dr. Ganesh Lad from Vartak College, Vasai, were the judges for the Flash Card Making.

AND
SMT. THIRUMALAI COLLEGE OF SCIENCE
PLOT NO. 337, SEWRI - WADALA ESTATE, MAJOR R. PARAMESHWARAN MARG,
WADALA, MUMBAI - 400 031

Dr. Deepak Thakare retired Chairman, BOS in Microbiology, University of Mumbai, Vice Principal and Head of Microbiology Department, KBP College, Vashi, Navi Mumbai and Dr. Bela Nabar, Head of the Microbiology Department from Smt. CHM College, Ulhasnagar were the judges for Biopoetry.

Flash card and Biopoetry were the submission event held from 10th February 2021 to 15th February 2021

The judges also expressed their views about the event they judged as well as inspired the future scientists

With an OTT platform this year, there were participants from different states of our country. 62 students participated in various events.

Few feedbacks & suggestions given by participants for the future webinars:

No improvements, the event was great
It was all good
The event was amazing.
Little bit more organised can be done
Make events like these continuously....it helps to take out the knowledge in a Fun manner....
Time management has to be improved
Ya if the event would be offline I would loved more to be take part in it but the overall event was tremendously good
Everything was good
I wish the will be provided again
The Event Was Amazing! :)
Keep it up do more events thank you
Not really. This itself was new. And innovative

WADALA, MUMBAI - 400 031

Inclusion of more detailed instructions of particular games like Bio jocosity would be appreciated
All the events were great. Just for the antakshari I thought it might be better if you fixed some more rules for it; like not repeating any organism/disease, specifically saying
It was good. I enjoyed playing
No suggestions
It's good

Outcome:

1. Students could showcase their talents and develop a healthy competitive spirit.
2. They could gain knowledge by participating in the learning with fun events.
3. Students could improve their personality through interaction with other college students and teachers

Events

Event 1 - Flashcard (Submission event)

Topics

- 1) Covid-19 vaccines
- 2) Bioremediation
- 3) Online and Offline learning
(advantages and disadvantages)

❖ Rules

- Select any one of the above topics. Participation: Individually or in team of maximum four.
- Flashcards to be made on power point (maximum 4 slides).
- Templates for three slides will be provided.
- Animation can be used.
- **Submission link will be accessible from 10th to 15th February, 2021, Time - 11:59 pm.**

❖ Contact Details

- Shrikant Jogdande – 98673 87819

Event 2 - Bio-Poetry (submission event)

Topics

- 1) Antibiotics
- 2) Immune system
- 3) A B C of Scientists and their discoveries.

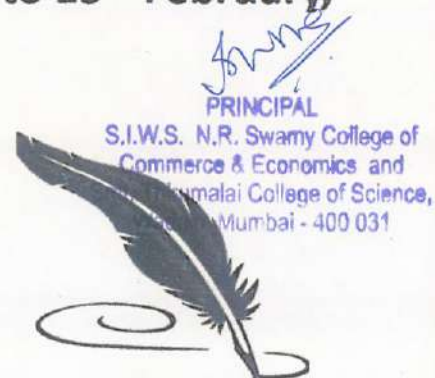

❖ Rules-

- Individual participation only.
- For 1st topic you can select any antibiotic/s.
- For 3rd topic you have to select any 10 letters from A to Z and accordingly write the name of the scientist associated with that letter and also include their Discoveries in a poetic manner.
- You have to submit your written bio-poetry in word or ppt format (minimum 1 slide or maximum 2) on any one of the topics.
- **Submission link will be accessible from 10th to 15th February, 2021, Time - 11:59 pm.**

❖ Contact Details

- Amrin Ansari – 70451 56693
- Mansi Mahadevan – 97685 25565

Event 3 - Bio-Jocosity (submission event)

Create a video of an "Interaction" between partners on any one of the following topics in a humorous manner.

Topics

- 1) DNA and RNA
- 2) Two eukaryotic organelles
- 3) Algae and Fungi
- 4) Antibody and Antigen
- 5) Humans and Microorganisms
- 6) Bacteria and Viruses

❖ Rules

- Entries as duo only.
- Time limit – 2 minutes.
- Videos can be animated.
- **Submission link will be accessible from 10th to 15th February, 2021, Time - 11:59 pm.**

**International Multi-disciplinary Conference on
'Climate Change, Environment and Sustainable Development
in a Global Economy'**

April 21, 2018

organized by

S.I.W.S. N.R. Swamy College of Commerce and Economics and
Smt. Thirumalai College of Science, Wadala, Mumbai - 400 031

The SIWS N. R. Swamy College of Commerce and Economics and Smt. Thirumalai College of Science organized a one day **International Multidisciplinary Conference on 'Climate Change, Environment and Sustainable Development in a Global Economy'** in collaboration with Alkesh Dinesh Mody Institute of Financial and Management Studies, University of Mumbai and Bombay Stock Exchange: Investors' Protection Fund on **April 21, 2018**, exactly a day before the Earth Day. The Conference was organized with the co-ordination of the Department of Business Economics, Department of Environmental studies and the Department of Commerce of Self-financing Courses. **Dr. V. Rangaraj**, Chairman, South Indian Welfare Society, declared the conference open. A souvenir on the title was also released containing abstracts of the research papers.

The conference had eminent speakers comprising environmentalists, social activists, academicians and authorities from UNESCO, South Asia Office to address their concern about climate change and its ecological consequences and sustainable development. Serving as a platform for exchange on the latest knowledge on climate change impacts and environmental sustainability, the conference had two plenary sessions on the following themes, where a total of 24 research papers were presented:

- (i) Climate Change and Environment
- (ii) Sustainable Development in a Global Economy

Principal Dr. Usha Iyer, the Chairperson of the Conference introduced the theme of the conference pointing out that climate change has become a global challenge today and that countries all over the world are experiencing significant repercussions of global warming and climate change. She also talked about **'The Paris Agreement'** that brings all nations into a

PRINCIPAL
S.I.W.S. N.R. Swamy College of
Commerce & Economics and
Smt. Thirumalai College of Science,
Wadala, Mumbai - 400 031

common cause to undertake ambitious efforts to combat climate change and adapt to its effects, with enhanced support to assist developing countries to do so.

The Chief Guest of the inaugural function, **Dr. Priya Darshini Karve**, Managing Director of Samuchit Enviro Tech and Member of the Board of Trustees of Initiatives for New Ecological Community Concerns (INECC), stressed on the conservation of coal and petroleum. Formed from the remains of ancient marine organisms, she pointed out that the formation of these non-renewable source of energy has taken place only twice or thrice in all these millions of years. Further, expressing her concerns, she said that the way our generation has been using coal and petroleum, we would soon run out of these natural resources.

To save planet Earth for a sustainable future, the Guest of Honour **Dr. Ram Boojh**, Program Specialist, Natural Sciences, UNESCO, New-Delhi office talked about ending plastic pollution. He expressed an urgent need to look for nature based solutions for conserving water as water has now become global priority. Praising the theme of the conference he said that the theme for the conference is very timely and is of great significance as the issues related to climate change, environment and sustainable development have currently become the buzzwords in global discourse. He further added that innovative solutions to traditional development issues such as economic stagnation, persistent poverty, hunger, malnutrition and illness as well as newer challenges like environmental degradation and globalization are needed to be found so that the survival of our future generation remains possible.

The first technical session on, '**Climate Change and Environment**', was led by **Dr. Nandini Deshmukh** and **Col. Shashikant Dalvi (Retd)**. Sharing her thoughts, Dr Nandini Deshmukh, District Manager (Mumbai), The Climate Reality Project, India, said the irony of today's time is that those who destruct man made things are considered as goons and criminals and those who destroy God made irreplaceable things are termed as developers. She urged the youngsters to protect nature by embracing creative and innovative ideas to minimize the waste generated from their day to day activity. Col. Shashikant Dalvi, District Manager (Pune), The Climate Reality Project, India, also appealed to the audience to conserve natural resources by using simple practices such as rain water harvesting. He also suggested that water that we waste during bathing can be recollected to water plants, flushing and cleaning.

The second session on '**Sustainable development in a Global Economy**' was chaired by **Dr. Smita Shukla**, Incharge Director, ADM Institute for Financial and Management Studies along with **Shri. Nitin Raikar**, Associate Director, Communications, India Wind Turbine Manufacturers' Association, **Dr. Ajit S. Gokhale**, Founder and Leader of Natural Solutions and **Shri. Stalin Dayanand**, Director of projects, Vanashakti (NGO). Dr. Smita Shukla talked about various organizations and companies that specifically sell recycled products. Shri. Nitin Raikar spoke on sustainable energy development using renewable energy sources. Dr. Ajit Gokhale quoted that 'This earth is not an inheritance to be wasted the way we want it. It is rather a debt from our children to be repaid with due care'. He mentioned that agriculture is the key to

PRINCIPAL

Commerce & Economics and
Smt. Thirumalai College of Science,
Wadala, Mumbai - 400 031

sustainability. Sharing his views on 'sustainable development', Mr Stalin Dayanand said that he found this term a kind of an oxymoron as one can either sustain or develop. He then emphasised that India is the only country having all types of ecosystems and we need to think of our own ways to develop rather than just aping western countries. He also talked about reclamation and encroachment.

The research papers discussed a wide range of new knowledge along with appropriate, indigenous or local technologies that can be used to address the impacts of climate change. Principal Dr. Usha Iyer, in her research paper, pointed out that to our surprise, there is a steep rise in carbon emission in less and least developed countries and a decline in developed countries. Ms Shubhra Shukla, member, Institute of Adult Learning, Singapore told that rivers in India have been suffering from acute pollution and tried to investigate if Singapore example can be a savior to the failed river cleaning projects in India.

The Chief Guest at the valedictory function **Shri Chakrapani Vasudevan**, Head, Investors' Protection Fund and Secretariat of Bombay Stock Exchange congratulated Principal Dr. Usha Iyer for having organized a wonderful conference on a relevant topic. He also shared his own personal experience of the rise in temperature over the last five years. The valedictory function ended with the distribution of certificates to the participants and vote of Thanks.

Twenty two Research papers presented at the Conference have been published by **Naveen Shodh Sansar**, an **International Multidisciplinary Refereed Journal** and **UGC Journal No. 64728** Volume I Conference Edition with **ISSN No.2320-8767**, **E-ISSN 2394-3793** with impact factor **5.110 (2017)** of which Dr. Usha Iyer is the co-editor.

Mon, Mar 12, 2018 at 6:29 PM

Madam,

Please refer to your letter No. SIWSNRSC/389/2017-18 dated February 15, 2018.

We will be happy to collaborate with you for the said conference.

We are making arrangements for the auditorium on Campus that is managed by Alkesh Dinesh Mody Memorial Trust (separate entity).

They (trust staff managing auditorium) have informed us that the auditorium is available on April 21 however the sound system is not functional. Further, on account of renovation work the hall is undergoing, if there is AC failure then they should not be held responsible.

In view of above we request you to survey the facility so that it is as per your satisfaction.

Dr. Smita Shukla

Tue, Mar 13, 2018 at 1:27 PM

Dear Madam,
Thank U Very much for giving us the hall.
Shall be obliged if the AC is functional at that point of time.
We will take care of the sound system.
Thanking You once again.
with warm regards,
Usha Iyer

About the College

S.I.W.S. is a premier institution having a glorious history of 84 years. Over the years the institution has grown by leaps and bounds by expanding from K.G. to Ph.D. The college runs B.Com. & B.Sc. (Aided) along with self-financing courses - B.M.S., B.Com. (Accountancy & Finance), B.Com. (Banking and Insurance), B.M.M., B.Sc.(I.T.), B.Sc.(C.S.), M.Com., M.Sc. & Ph.D. in Business Economics.

With the launch of self-financing courses, there has been a professional approach in imparting knowledge and information so as to bring out the fullest potential of the students.

Our motto, 'Vidya Dhanam Sarva Dhanath Pradhanam' is the driving force that motivates us in all our endeavours.

Acanthus

Acanthus aims at imparting professional wisdom orienting the students towards research, knowledge and information in an ever changing globe. It is the brain child of the faculty and students of self-financing courses who wholeheartedly follow the philosophy, 'The only thing constant in life is change'. Over the past several years, the students have conducted inter-collegiate seminars namely 'BIZWIZ and PRISM' which have been successful in fulfilling their objectives and helped them to expand their vision. The merger of both these seminars resulted in 'ACANTHUS' a further leap towards research orientation, professionalism & academic excellence.

About the Conference

Climate change is a global challenge today. All over the world, people are experiencing significant impact of climate change, which include changing weather patterns, rising sea level, and more extreme weather events. The ecological consequences become visible in global warming, loss of biodiversity, deforestation, desertification and decreasing natural resources.

Sustainable development should therefore be a serious issue in all kinds of policy fields affecting development. Implementation of the Paris Agreement is essential for the achievement of the sustainable development goals as it provides a roadmap for climate actions that will reduce emissions and build climate resilience.

There is an urgent need to address climate change implications by promoting climate-friendly trade and production strategies. The conference will focus on the impact of climate change and how environmental policies have to change to meet the goals of the Paris Agreement.

Objectives

- To create awareness about global climatic changes and its impact on environment
- To analyze measures for sustainable development

Call for Papers

Topic:- **Climate change, Environment and Sustainable Development in a Global Economy**

Style Sheet for Authors

- All papers should be submitted in Times New Roman 12 - point type, 1.5 lines spacing in A4 size page setup, with margins of one inch from all sides. The article should be of maximum 2500 words.
- Manuscript should be accompanied with a declaration by the author that the paper is the author's own work and has neither been published nor submitted for publication elsewhere.
- The desired order of content is as follows:
 - * Title (Times New Roman 16-point type, in bold)
 - * Name of Author(s) (14-point type)
 - Professional Affiliation(s): Current University, College and / or Department
 - Email
 - * Abstract (250 words) in Times New Roman Font size 12
 - * Keywords
 - * Main Text in Times New Roman Font size 12
 - * Acknowledgements
 - * References and
 - * Appendices
- Full length research papers along with abstract should be mailed to acanthus.siws@gmail.com on or before **April 7, 2018**.
- Selected papers will be published in the seminar proceedings with ISBN / ISSN.

Important Dates

Abstract Submission	Mar 30, 2018
Notification of accepted abstracts	Apr 5, 2018
Full length paper submission	Apr 7, 2018
Intimation of acceptance of paper	Apr 10, 2018

Discussion Themes

Technical Session I :

Climate Change and Environment

- ☆ Climate change and its impact in a global economy
- ☆ Food waste, forest and biodiversity conservation
- ☆ Water resources management
- ☆ Pollution and protection of air, soil and water environment
- ☆ Municipal solid waste, commercial and industrial waste management
- ☆ Green city, green energy and renewable energy, green transportation
- ☆ Ecology and ecosystem management
- ☆ Environment planning, management and policies

Technical Session II :

Sustainable Development

- ☆ Global, national and local sustainable development
- ☆ Innovative techniques for sustainable development
- ☆ Implementing sustainable development goals
- ☆ Smart cities for sustainable development
- ☆ Smart cities and green ICT systems
- ☆ Sustainable development and education
- ☆ Sustainable landscape management
- ☆ Industrial ecology reaching the sustainable development goals
- ☆ Effects of development on smart cities' cultural and ecological environment
- ☆ Smart cities and ecosystem management
- ☆ Natural capital and sustainable development

CHEMISTRY DEPARTMENT

October 7, 2017

Report on National Workshop on Electron Microscopy of Nanoparticles-

Department of Physics and Chemistry conducted a National Workshop on *Electron Microscopy of Nanoparticles*, in association with National centre for Nanosciences and Nanotechnology, University of Mumbai, on September 23, 2017. The schedule of workshop was divided into two sessions - the first session of the workshop was held in the seminar room of our college and the second session was held at National Centre for Nanosciences and Nanotechnology, University of Mumbai, Kalina Campus.

Objectives:

- To provide a platform for future exchange of ideas and research in Nanoparticles
- To provide in-depth theoretical and practical knowledge to faculty and students working on different facets of nanoparticle characterisation using electron microscopy.
- To provide the latest updates about the materials research and the advancements achieved in the upcoming and novel areas

The first session of the workshop consisted of three lectures by three eminent scientists of international fame.

- **Prof. Pushan Ayyub**, Senior Professor and Chair of the Department of Condensed Matter Physics and Material Science, Tata Institute of Fundamental Research, Homi Bhabha Road, Mumbai - 400 005, was the *Chief Guest of the Workshop, as well as the speaker of the first session.*

The topic of his talk for the workshop was - Looking at Nanostructures by High Resolution Electron Microscopy: Pros and Cons

During his hour long talk, Prof. Ayyub discussed in detail the technical aspects of **High Resolution Electron Microscopy**. He explained about the technique, for the study of structure and composition at the scale of nanometers (0.1-10nm), i.e., in nanostructured materials. While the diameter of a Hydrogen atom is 0.1 nm and a Lithium atom is 0.3 nm, the best modern TEMs can "see" down to 0.07 nm! The 1-Angstrom (=0.1nm) barrier was broken over 10 years back with the invention of the aberration corrected TEM. But many of us still use a TEM only to find the particle size of nanoparticles which are 5-50nm in size! While

electron microscopy gives us crucial information about the shape and size distribution, Sir will told us about several critical – and frequently unrecognized – pitfalls that we often face when we use TEM for the routine determination of mean particle size in nanostructured systems. Electron microscopy is irreplaceable for the study of nanomaterials.

➤ **Dr. Deepa Khushalani**, Associate Professor in Materials Chemistry, Dept. of Chemical Sciences, Tata Institute of Fundamental Research, Homi Bhabha Road, Mumbai - 400 005, was *the speaker of the second session*.

Dr. Khushalani has many recognitions and award to her credit-

Her research areas are: Synthesis, characterization and application of a variety of inorganic structures such that (1) the morphology, phase, and size are carefully manipulated so that there is precise control over homogeneity and compositional purity, (2) the ensuing materials are applied in areas such as heterogeneous photocatalysis, biosensors, components in solar cells and in energy storage devices (such as batteries and supercapacitors) and also for drug delivery applications. Her other activities: Extensively involved in Science Outreach and actively promoted basic sciences within rural and economically deprived areas of India. Given several workshops/lectures and mentoring sessions.

The topic of her talk for the workshop was - Electron Microscopy: An Invaluable Tool in Study of Functional Materials

➤ **Dr. Andy Sen**, National Manager (ICON Analytical, India), Application Specialist and Sales, was *the speaker for the third session*. His achievements are as follows-

Currently, he is the National Manager (ICON Analytical, India) Application Specialist and sales.

2014-2017 Application Specialist in JEOL Tokyo and Visiting Faculty at Bionano Center, Toyo University, Japan (working as co-Principal Investigator)

2012-2014 Assistant Professor (Research) at Graduate School of Medicine. University of Tokyo. JAPAN

2009-2011 Senior Research Fellow, & Affiliated Investigator at the Maurice Wilkins Centre, School of Biological Sciences (SBS). University of Auckland. New Zealand.

2007-2009 Research Associate. University of Virginia. USA.

2004-2007 Post-Doctoral Fellow. LSBR, NIAMS, National Institutes of Health. USA.

2004. PhD at the National Institute of Cholera and Enteric Diseases, Kolkata & University of Calcutta. India.

The topic of his talk for the National Workshop was - Application of electron microscopes in the development of therapeutic nano-medicines

In all, 85 faculty and research students, participated in the workshop. After the lunch break, in the second part of the workshop, all the participants visited the state-of-the-art laboratories of National Centre for Nanosciences and Nanotechnology, University of Mumbai, Kalina Campus. The director of Nanoscience centre, Dr. Santosh Haram, gave away participation

certificates to the delegates, at a short and impressive Valedictory function held at AV Auditorium of Nanoscience centre, at the end of the workshop.

The organising committee of the workshop thanks Principal Dr. Usha Sukumar Iyer, for her invaluable guidance and untiring support at each and every stage of the workshop. Without her support, the workshop would not have happened. We thank our Management for their financial support and encouragement. Our sincere thanks to Dr. Santosh Haram, Director, National Centre for Nanosciences and Nanotechnology, University of Mumbai for his collaborative support. Thanks to the chief guest, all the speakers, advisory committee members, delegates, entire teaching and non-teaching staff of SIWS college, bus service provider for visit to Nanoscience centre and Rounak Caterers for delicious lunch.

Outcome:

- 85 participants gained plethora of information from the eminent speakers
- Visit to the state - of the - art laboratories provided better understanding of nanoparticle characterisation

ABOUT THE COLLEGE

The South Indian Welfare Society was established in 1934 with the primary objective of providing educational facilities to the local population. The organization has grown from a primary school into a multidisciplinary institution, offering education from KG to PG under one umbrella. The Commerce Degree College was set up in 1980 and the Science stream in 1990.

Besides regular graduate programs in Commerce and Science, the college offers self-financing programs in B.M.S., B.B.I., B.A.F., B.M.M., B.Sc. (Computer Science) and B.Sc. (I.T.) and post graduate programs in M.Com., M.Sc.(I.T.) and M.Sc.(Chemistry-by research).

We believe that our motto, 'Vidhya Dhanam Sarva Dhanath Pradanam' is the driving force that motivates us in all our endeavours.

ABOUT THE SYMPOSIUM

Demonetization has become the latest catchword in India's growth story. The unprecedented move, announced by Prime Minister Shri. Narendra Modi has far-reaching implications from the immediate present to the longer term. Moreover, the character of the latest round of demonetization has been distinct from the earlier two rounds, both in terms of reach as well as intensity.

The present symposium has the following objectives:

1. To discuss the rationale behind demonetization
2. To create awareness and encourage dialogue between various sections of society about the costs and benefits of this move
3. To examine the consequences of demonetization on the future growth of the economy
4. To highlight the pre-requisite policy measures for demonetization to bring about the desired results

CALL FOR PAPERS

Original and unpublished research papers / articles / posters are invited on any of the following themes:

1. Impact of demonetization on
 - a. Economic growth
 - b. Agriculture
 - c. Industry
 - d. Banking sector
 - e. External sector
 - f. Trade and business
 - g. Real estate
 - h. Gold Bullion market
 - i. Parallel economy
 - j. Society and common man
2. Opportunities created by demonetization
3. Challenges created by demonetization for the Indian economy
4. Any other theme related to demonetization

GUIDELINES FOR SUBMISSION OF PAPERS

Papers submitted on the above themes should adhere to the following specifications:

- The paper should begin with the title, author's name, short abstract and a list of key words
- The abstract of the paper should not be in more than 200 words
- The total length of the paper must not exceed more than 2000 words. The paper should be neatly typed in MS WORD in Times New Roman, font size 12 with 1.5 line spacing and 1 inch margin on all sides of the page
- Contact details of the author, email address and institute's name should be mentioned
- Soft copy of the paper should be mailed on the following email address:
demonetisation2017@siwscollege.edu.in
on or before 15th April, 2017
- The College proposes to publish **PRINCIPAL** papers in a reputed journal with **ISSN** on **N.R. Swamy College of Commerce & Economics**. The decision of the College selection of the papers will be final. Smt. Thirumalai College of Science, Wadala, Mumbai - 400 031

REGISTRATION FORM

I wish to participate in the National Symposium on Demonetization, organized by SIWS College, Mumbai - 400 031 on Wednesday, 26th April, 2017.

Mr/Ms/Dr. _____
First Name Middle Name Surname

Registration as a Participant:
Teacher: Student: Paper Presenter:

Alkesh Dinesh Mody Institute
for Financial & Management Studies,
Joraver Bhavan,
Vidyanagari
Mumbai-400 098.

Madam,

With reference to your letter No. ADMI/GAD/443/2017, dated 19th April, 2017, I am to inform you that permission to display banners in the University Main Gate, Vidyanagari Campus on 25th April, 2017 onwards for organizing National Symposium in collaboration with S.I.W.S College of Commerce & Economics titled "Demonetisation: Rationale, Costs & Benefits and Future for India" is granted subject to the following conditions:-

1. All precautions should be taken to see that no inconvenience is caused to the Students, Teachers and Residents in the campus.
2. Garden area should not be disturbed.
3. There should not be any traffic disturbance.
4. The theme/matter on the banner should not be commercial.
5. The banner should be removed immediately after the programme gets over.

Yours faithfully,

Deputy Registrar (Admn.)
Vidyanagari

To whomsoever it may concern

It is to certify that Dr. Sandeep Vansutre, Assistant Professor, SIWS College, Wadala, Mumbai has regularly visited UGC-DAE CSR Mumbai Centre, BARC Campus, Mumbai – 400 085 for various experimental work such as temperature dependent magnetization, dielectric and neutron diffraction study since early 2016. These experiments were carried out as part of his PhD work under a collaborative project with Dr. Radha Srinivasan of Department of Physics, University of Mumbai. The project scheme was titled " Structural, Dielectric and Magnetic studies of some substituted perovskites and composites in bulk and nano formulations: $\text{Bi}_x\text{La}_{1-x}\text{Fe}_y\text{Zn}_{1-y}\text{O}_3$ and $(\text{Bi}, \text{La}) \text{FeO}_3-(\text{Ba}, \text{Sr}) \text{TiO}_3$ composites (CRS-M-207)" and funded under collaborative project. The results of these experiments were discussed with various colleagues at our Centre and analyzed in subsequent visits and this has resulted in two international refereed journal and two conference publications. Some of the experiments and data analysis is still under process of deliberation and understanding, which is expected to be published in near future.
