## Introduction

The Short Term Certificate Course on 'Gender Sensitisation & Social Justice' creates awareness to the participants about the inequalities existing in society towards gender.

The syllabus of the course on Gender is designed to inculcate values of equality, inclusivity and diversity, which are essential for building a healthy society among the adolescent boys and girls. By introducing 'Gender Sensitization & Social Justice' short term certificate course to the students, would impart knowledge of law relating to women and sensitize them. It is crucial for balanced development of young minds; it will also help students in building correct values, self-discipline and national spirit.

The topics selected for the Short Term Certificate Course were Gender Sensitization & Indian Law, Human Right & Gender, Response of Civil Society Organisations to Domestic Violence during Lockdown, Violence Against Women and Legislative Reforms, Women's Paid and Unpaid Care Work and many other relevant topics. The resource persons invited were experts in their respective fields and did justice to the topics selected.

Women Development Cell (WDC) organized its second talk on ‘**Gender Equality**’ in collaboration with Stree Mukti Sanghatana a NGO, on **March 27, 2021** at 11am.

**Objectives:**

- To have equal rights, responsibilities and opportunities

- To sensitize the girls and boys of our college and to educate them.

The speaker for the talk was **Mrs Pragnya Saraf** associated with Stree Mukti Sanghatana since 1984. An engineer by profession and a master certificate from S.P. Jain management institute, presently working as executive engineer with BMC.

The talk began at 11am. The students were eagerly waiting for her talk.

Mrs. Pragnya Saraf began her talk by first explaining what is Gender Equality. She cited the major examples of social inequality: income gap, gender inequality, health care, and social class. She also showed a few videos based on the examples which made her talk very interesting. Male and female employees holding the same position receive different pay, even when other factors such as experience, education level, etc. are similar. Asking married employees to leave their ring at home. Asking any woman to resign on becoming pregnant or not hiring a woman because she is pregnant. She also highlighted the benefits of gender equality. The talk was followed by Question and Answer session. Adv. Arul Kumar a member of WDC, proposed the vote of thanks.

**Total Number of students present: 62 (28 boys & 34 girls)**

**Outcome:**

**A report of Pre-marital Counselling**

The Women Development Cell organised a session on 'Pre - Marital Counseling' by Stree Mukti Sanghatana on the 10th & 11<sup>th</sup> of September 2018, for students.

**Objective:**

- To provide information to students about the necessary skills required to enhance communication, problem solving, and decrease conflict by addressing expectations within marriage
- The objective of sex education was to help teenagers understand the body of men and women and improving their attitudes towards sexual and reproductive health behaviours.

Stree Mukti Sanghatana is a NGO, founded in 1975, and works for the empowerment of women, chiefly by creating awareness in the society about women's issues and improving the lives of women through education, healthcare, and gender equality. It is an autonomous, registered organization. Stree Mukti Sanghatana strives to create a gender just world, in a conducive atmosphere to achieve gender equality. Through large-scale campaigns, as instruments of change, it works for eradication of poverty and violence for women especially in the field of law and law enforcement.

The counselling session was of two days and was presided by the representatives of Stree Mukti Sanghatana.

**Report**

**(2017-18)**

**August 9, 2017**

Women Development Cell (WDC) organized a talk on '**Personal Hygiene**' on **4 August, 2017** in collaboration with 'Stree Mukti Sanghatana', an NGO working towards creating social awareness about women related issues.

**Objectives:**

- To emphasize the importance of personal hygiene
- To create awareness about healthy eating

The talk was conducted by **Dr. Rashmi Kulkarni**, pursuing her M.D. from K.E.M. College, Parel (Mumbai), in Community Medicine. It was held on Friday, 4th August 2017 at 11:00am in room no. CB 307.

Dr. Kulkarni discussed with the girl students about the aspects of cleanliness with respect to all the body parts like eyes, ears, nails, hair, skin, breast etc. She gave a very clear explanation with the help of pictures. She emphasized the need of personal hygiene and also informed the girls about the repercussions if not followed regularly.

She discussed hygiene during menstruation and also the myths associated with the same in our country. Awareness about healthy eating and the importance of nutritious food was given to the girls.

The talk ended with a question and answer round. The girls also discussed their health problems on a one to one basis. Looking at the response, Dr Rashmi Kulkarni also promised our respected Principal Dr. Usha Iyer, to conduct one more session with girls, wherein she can address this sensitive issue.

113 girl students and the lady teaching and non-teaching staff members attended the session.

**Outcome:**

- 113 girls realized the importance of personal hygiene
- Girls got guidance from a professional about their health issues

### Women Development Cell

23 August, 2017

Women Development Cell (WDC) organized a short play 'Mulgi Zali Ho' ('Beti Aayi Re' in Hindi) on 19th August, 2017 in collaboration with 'Stree Mukti Sanghatana', an NGO working towards creating social awareness about women related issues.

#### Objectives:

- To sensitize both the Boy and Girl students on Gender Equality
- To raise the consciousness among youth about oppression of female child

The play was performed by 12 active lady members of Stree Mukti Sanghatana in the college gymkhana hall. It was held on Saturday, 19th August, 2017 at 11:00am. The response for the play was tremendous. A total of 152 students attended the play. It was enjoyed by many of the class three employees of our college. A few teachers also attended the program.

The play was held to raise the consciousness among youth about oppression of female child and how she later on empowers herself, which gives us the message of equality. Ms Pragnya Saraf and Alka madam along with the other performers enacted the play in a very beautiful manner. The play highlighted the plight of a girl child since her birth till she gets married. It ended with a strong message to the students on gender equality and how education and monetary independence will help the girl child. The audience was enthralled by their performance.

Principal Dr. Usha Iyer also graced the occasion and addressed the students despite her busy schedule. She felicitated Ms Aruna Soni and Ms Pragnya Saraf of 'Stree Mukti Sanghatana'. The members of the WDC also thanked all the performers of the play.

#### Outcome:

- 152 students were sensitized on Gender Equality
- A subtle change in behavior of the boy students was observed
- The message of the talk benefitted our non-teaching staff too

**Report on**

**College Student Mental Health and Use of Counselling Centre Services**

Memorandum of Understanding has been signed with Ms Krithika Rajaseelan as counsellor for the staff and students of SIWS college. This report throws light on how students at S.I.W.S. college were utilizing the counselling centre. It was understood that the mental health concerns and distress levels of students who had not used the college's counselling centre were more of concern. Majority of "non-counselled" students were aware of the counselling centre and that it provided free counselling services. However, many of the students had recently experienced significant levels of concern with various problem areas, including anxiety, depression, relationships, and eating/body image. These problem areas were further examined through the lens of gender, race/ethnicity, and sexual orientation.

The Counsellor Ms Krithika Rajaseelan is available on every Tuesdays and Fridays of the week for Counselling. Both Teachers and students are able to attend the session successfully.

**Subject : Collaboration of Robin Hood Academy with DLLE for Teaching Session**

Respected Sir,

With reference to the discussion you had with Arpith Kotian regarding Robin Hood Academy's educational project for underprivileged kids nearby SIWS college on the streets of Rafi Ahmed Kidwai Marg and Wadala Station (W) area.

As we move forward with our collaboration, let us introduce ourselves. We, Robin Hood Academy, are an initiative of Robin Hood Army with following objectives -

1. To bridge the gap between schools and streets, giving our children the tools and knowledge to motivate them to go to school full-time.
2. Create access to education and conduct regular weekend Academy session and excursions with a standardized curriculum to introduce and drive the spirit of learning.
3. To mentor the kids already going to school, so as to avoid mid schooling drop outs.
4. Imparting practical education which will show immediate results in their daily lives.
5. To work on their personality development, hygiene and cleanliness, extra-curricular activities like sports, arts, music and dance.
6. To predominantly work on street dwelling children and their parents, especially women, with an intent of impacting their personalities and inspiring them for holistic growth.

Whereas, Robin Hood Army serves hungry citizen and avoids food wastage by serving it to hungry citizen. Robin Hood Army also serves underprivileged people in every possible manner, but our primary aim is to serve the needy people with freshly cooked meals or excess food.

As discussed in our previous meeting, we are working professionals and are only available on weekends to conduct teaching sessions for our academy children. These sessions can be conducted for only 5 hours max. per week, which is not sufficient enough for the educational program we are conducting.

**Hence, we would request you to help us with student volunteers to conduct Academy related activities. (Description and schedule of the activities shall be given to you once we both confirm the collaboration. All of these activities would not exceed 5 hours duration in a week)**

**As DLLE and Robin Hood Academy share the same goal, we strongly feel this would be a great initiative to collaborate these two for a better future of these kids by educating them, making them self-dependent and to show them a possible world with endless opportunities. We would need help of 10 students for 5 hours in a week till April, 2020.**

**We would be glad to clarify any questions or concerns regarding the collaboration with college and our working. Also, let us know if Robin Hood Academy has any deliverable.**

Anticipating a positive synergy,

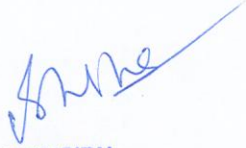

Thanks & Regards,

Gaurav Phatak

Friendly learning environment was created for the kids.

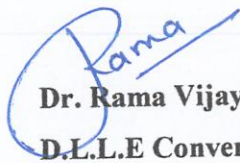

Apart from Academics, sessions on importance of cleanliness, discipline, manners, & etiquette was also incorporated

After every session, healthy snacks and fruits as an incentive for the kids to be regular in the class was arranged

Final Session of education project under IOP was conducted on 6<sup>th</sup> March 2020. Principal Dr. Usha Iyer graced the occasion by giving away the gifts donated by the teachers of SIWS College.

#### Outcome:

- Handling of kids from slums and teaching them in methods and language they understood was difficult but our students were up to it, they learnt to be patient and tolerant.
- Students also understood the importance of caring and helping the society in whatever means they could. This will surely develop them to become a responsible citizen of this country.
