### Wishstore Digital camp –

Students who will enroll will be trained to become Wishstore influencers of their areas.

Each student who enroll will be given an opportunity to earn monthly bases for managing & become the digital owner of 50 stores.

### Responsibilities as digital owner –

- Acquisition of stores
- Digital Marketing
- Process the orders
- Become the local influencer of the store. The students will be allocated stores geographically, based on their convenience. They can also probably work in groups.
- They will be trained, managed & coordinated by our team.

### Guidance they will receive from our team –

- Supervision of these students – checking if they are doing the order processing correctly.
- Managing drives – where students will report their daily progress
- Provide them creatives, messages to be used for communication on their social media
- Organising society meets to brief the women about using our app for ordering grocery
- Talking to their neighbors, friend's families, using her mother's contacts – kitty parties, WhatsApp groups, community meets
- Giving them dynamic ideas relating to the problems they are facing in achieving their targets
- More chances to earn as a group

The students will be paid monthly bases to become the promotes & digital owner of the stores. But their target will also include getting 50 customers each using the app for delivery purposes.

### How will the Orientation take place?

Orientation will be the first training session where the interns will be given a detailed description of the company and the deliverables that we are seeking from them.

The orientation will also include a brief lesson on marketing for the interns to grasp the result of the efforts that they will be putting in the program. They'll be introduced to the targets that they have to meet and will also be told about the perks and how this camp will help evolve them as capable and potential future managers

**Subject: Appeal to encourage your students to participate in the techno-entertainment event SQuAD: Software Quality und Aptitude Discovery**

Dear Sir/Madam,

Happy New Year 2020!

Season's greetings from Department of Computer Science, University of Mumbai and SQUAD Infotech Pvt Ltd!

We are happy to announce an inter-college mega computing talent search competition, named SQuAD: Software Quality und Aptitude Discovery. Representatives of our collaborators, SQUAD Infotech Pvt Ltd will reach to you for the registration; the preliminary test is to be conducted in the premises of the respective Colleges. The Shortlisted candidates from this round will have an opportunity to contest the Programming round and the finalists' event that would be conducted in the University campus in the month of February 2020.

May I request you to cooperate with the SQUAD representatives and let them interact with your faculty and students for getting your students done with the first round of SQuAD.

We seek your cooperation throughout the rounds of this event and in making it a great success.

Thank you.

Yours sincerely,

(Dr. Ambuja Salgaonkar)
