**GYMKHANA COMMITTEE REPORT – 2016-17**

The main aim of Gymkhana committee is to explore the hidden talents of the students in sports and athletics and give them a platform to perform at University and National level competitions.

To attain this goal the committee conducts several indoor games such as chess, carom etc. and outdoor games such as Basket ball, Volley ball, Cricket etc. The students who perform well at the college level go to represent the college at the University level.

Some of the students who have exceptionally good talent in a specialized sport are specially coached by experts who prepare them for the competition.

Apart from this an opportunity is provided to all students by conducting the Annual Athletic Meet every year in the month of December at fully equipped playground. It helps the students to realize the importance of sports and increase their confidence.

The other objective of the Gymkhana committee is to create awareness amongst the students about fitness by conducting Yoga and other fitness related lectures by experts in the field.
