Date : 20th July 2021

Webinar on Effective Teaching and E-Learning with NLIST E-Resources

Objectives:

Orientation of Faculty members, student, library staff about N-LIST E-Resources for Teaching and Learning

Brief Note :

A webinar on **Effective Teaching and E-Learning with NLIST E-Resources** was organized by Library committee and Internal Quality Assurance Cell of S.I.W.S. College. The webinar was conducted on 17th July 2021 from 9.00 am - 12.00 noon.

Mr Bhavesh Patel, Assistant Librarian, Sir Dorabji Memorial Library, Tata Institute of Social Sciences, Deonar, Mumbai was the resource person for the above webinar. The Participants were Faculty, research scholars and Library Staff of Colleges of different Universities across India. The webinar feedback also showed appreciation of the presenter and overall presentation of the webinar. The topic was found to be popularly liked , because of its relevance to the current Covid situation, where all are using online mode of searching for teaching and learning material.

No of participants : 207

Outcomes :

The webinar gave faculty exposure to the online resources, both open access and NLIST , and information of various techniques of searching and finding relevant teaching and learning material.

REPORT: Online Panel Discussion on 'NEP 2020 – Relevance to Teachers'

The South Indian Welfare Society organized an "Online Panel Discussion on NEP 2020 - Relevance to Teachers" on 14th May, 2020 at 11:00 a.m.

Objective

The objective of the panel discussion was to enable teachers to understand the dimensions about NEP 2020 and what teachers need to do proactively.

Date & Time

14th May, 2020 at 11:00 a.m.

Number of Participants : **97**

Dr.V. Rangaraj, Chairman Advisory Board, S.I.W.S was instrumental in organizing the event.

Mr. R. Radhakrishnan Chairman, S.I.W.S, Mr. M. Ananthasubramanian, Honorary General Secretary, S.I.W.S, Mr. M.N. Ramamurthy, Honorary Joint Secretary, S.I.W.S and Mr. Muralidharan Srinivasan Trustee, S.I.W.S were present for the program.

Panelists :

- ❖ Dr. A D Sawant - Former Vice Chancellor, Rajasthan University & Former Pro- VC- University of Mumbai
- ❖ Dr Rajan Saxena - Former Vice Chancellor, NMIMIMS
- ❖ Dr. Dinesh D Harsolekar – Director, IES Management College and Research Centre
- ❖ Dr. Shobana Vasudevan – Principal, Podar College

Moderator

Dr. Mohan B Rao - Professor & Associate Dean- IES Management College and Research Centre

Dr. Usha Iyer - Principal, S.I.W.S. N.R. Swamy College of Commerce & Economics & Smt.

Thirumalai College of Science began the session by welcoming the panelists, members of the Management & all the participants. She highlighted the key important areas of NEP and its transformative role in the field of education. She also emphasized the role of mentors as a catalyst in the teaching-learning process.

Session Discussion:

Dr. Mohan B Rao introduced the key speakers to the audience. The session was divided into three rounds.

Round 1: 'Helicopter view about the NEP-2020'

- Dr. Rajan Saxena opined that the policy has a broader perspective of inclusive education to all in the chosen areas of specialization. He highlighted the strengths of the policy with respect to access to education to all in regional languages in the rural areas.
- Dr. A.D. Sawant emphasized that this exclusive policy is undoubtedly advantageous to the students but also expressed concern over the ability to cope up with its implementation.
- Dr. Dinesh Harsolekar highlighted the wide scope of NEP 2020 mentioning that this unique and comprehensive policy saw a mixed reaction of happiness and concern across the teaching fraternity in terms of its advantages and challenges.
- Dr. Shobhana Vasudevan spoke about the integration of NEP right from primary to higher education. She expressed that SIWS College has an added advantage of implementing the policy since the Institution offers a wide arena of courses right from primary to PhD.

Round 2: 'Role of teachers in NEP-2020'

- The panelists expressed their views on the role of teachers as game changers and emphasized on aligning with the current objectives of the policy.

A handwritten signature in blue ink, appearing to be 'Usha Iyer', written over a diagonal line.

- Dr. A.D Sawant expressed that implementation of NEP would establish a very strong educational framework for teachers not just in terms of academics but also guiding students in vocational courses and personality development.
- Dr. Rajan Saxena focused on quality teaching and urged the teachers to be relevant in today's competitive educational environment developing their knowledge and skill sets to match with the expectations of the policy.
- Dr. Harsolekar stated that the vision of NEP 2020 aims at turning all the institutions autonomous. However, he mentioned that autonomy comes with a lot of responsibility on the part of the teachers in terms of continuous innovation and creativity.
- Dr. Shobhana Vasudevan opined that teachers are eye-openers who have to invest in constant learning process. She made a mention that teachers should not just impart text book knowledge but be an inspiration or a role model in the lives of the students.
- To make the session more interactive, the moderator Mr. Mohan B Rao introduced a live poll via 'mentimeter' - an interactive presentation software and asked the participants to respond to the question about the takeaway in terms of two important words that were spoken about in the first two rounds on 'the role of teachers in implementation of NEP'. Teachers enthusiastically participated in the same and came up with words like inspiration, role model, dedication, innovation, mentoring etc. to name a few.

Round 3: 'Challenges in implementing NEP-2020'

- Dr. A.D. Sawant stated that the structure of the policy is such that it enables the students in attaining holistic education across science, commerce, social science and arts faculties and fulfill the industry expectations with exposure to multidisciplinary fields.
- Dr. Rajan Saxena mentioned that there is a wide arena of possibilities for both the students as well as faculty members if the policy is implemented properly. He further opined that there exist certain challenges in implementing the NEP, but proper direction will lead to inclusive growth and education to all.
- Dr. Harsolekar emphasized that teachers while implementing the NEP should understand the expectations of the students, read their mind set and act as catalysts to help them to achieve their career goals.
- Dr. Shobana Vasudevan gave a very strong message to the teacher participants to be a part of the solution and not find loop-holes in the system being a spectator. She urged teachers to be true professionals and facilitate learning.
- Question and Answers:
- The panel was opened for questions by the participants. Mr. Gokul asked "What is the role of 'PARAKH' in NEP- 2020?", while Ms. Nilema asked "How to guide the first generation learners to understand the importance of NEP?"
- Our SIWS Chairman Mr. R. Radhakrishnan gave his concluding remarks thanking the panelists for the great ideas in the implementation of NEP. He complimented Dr. V. Rangaraj for taking the lead to organize such an innovative program. He thanked Mr. Mohan Rao for all his support for the successful conduct of the program. He also congratulated the Principal Dr. Usha Iyer for all her efforts in mobilizing the staff for the panel discussion in a short span of time.
- He stated that the management always looks forward to empower teachers to bring out the best in them. He insisted that teachers play an important role in implementing any transformation and that change for good is always welcome in the field of education. He further stated that the management is keen to organize various Faculty Development Programs and Orientation courses to equip the teachers to excel in the field of education.

Laboratory Safety Practices –“Accidents Never happen Accidentally” (For Laboratory Personnel) National Level Webinar

Internal Quality Assurance Cell (IQAC) & the Department of Chemistry, S.I.W.S. N. R. Swamy College of Commerce and Economics & Smt. Thirumalai College of Science, Wadala, Mumbai -400031 organized a National Webinar on ‘Laboratory Safety Practices’ to provide a hazard free & safe environment in the laboratory.

Topic: "Accidents Never happen Accidentally"

Date: June 28, 2021

Time: 11 a.m. - 12: 30pm

Objectives:

- To enhance safety culture
- To train the Laboratory Personnel to face any adversity confidently

Dr. Prabodh Chobe was invited as the resource person for the National Webinar on Laboratory Safety Practices. Organizing this Webinar was essential to equip our laboratory personnel for mishaps that may occur in the laboratory. Dr. Prabodh Chobe accepted our invite and delivered a talk on “Accidents Never happen Accidentally”. Dr. Kirti Nakhare welcomed the participants and introduced Dr. Prabodh Chobe. Principal Dr. Usha Iyer greeted Dr. Prabodh Chobe and addressed the gathering.

During the session Dr. Prabodh Chobe emphasized and explained with apt examples, several aspects which may lead to accidents in the laboratory. His presentation included “Accident is a cultural & attitudinal problem & not a chemical problem”, “Motto- NIL Accidents”, “Fire triangle & Fire tetrahedron”, “Health hazard, Fire hazard Specific hazard”, which were explained in detail & very impressive. He also stressed the use of safety goggles, hand gloves etc. Dr. Chobe discussed about ‘Waste Disposal’ which is presently a major environmental concern worldwide. Waste disposal was explored with respect to accidental spillage, MSDS (Material Safety Data), spillage on body parts, disposal of organic/

chlorinated/ aqueous waste. Overall, it was very informative and educative talk delivered in a very lucid and simple language.

216 participants across the nation benefited from the talk. The talk concluded with a Question & Answer round. Principal Dr. Usha Iyer thanked the speaker and the participants. A formal vote of thanks was proposed by the IQAC Coordinator, Mr. Vaibhav Banjan.

E- Certificates were sent on 1st July 2021 on the registered E-mail ID after successful submission of the feedback forms. The organizing committee was overwhelmed by the generous feedback.

About the Resource Person:

Dr. Prabodh Chobe, an eminent scientist, graduated from IIT (Mumbai) and a doctorate in Organometallic Chemistry from State University of New York, was popular teacher at State University of New York, USA. (1980-82). He is an ex-employee of BASF known for his efforts taken to spread innovation culture & popularise science via his 'Science Express Train'. He initiated a very successful Science Education Program "Kid's Lab" in India. In February 2013, Government of Maharashtra felicitated him with "Utkrushta Vangmay Nirmiti Puraskar" (a State Award of Rs 50000 from Chief Minister of Maharashtra for Excellent contribution to Marathi literature). In 1971, Mr. V. V. Giri, the then President of

India felicitated him with President's Scout medal and Certificate at Rashtrapati Bhavan, New Delhi.

Dr. Chobe has worked in the fields of Organometallic Chemistry, Organic Synthesis, Chiral synthesis, Catalysis, Agrochemicals, Process development, Scale up, Leather-Textile-paper chemicals, Adhesives, Pharmaceuticals, Natural products, Nutraceuticals, Polymers, Dyes, Ionic liquids, Coatings, Construction chemicals, Plastics, Plastic additives etc. Has developed several new products / processes in these fields. Another **major achievement was a novel herbicide formulation** for which he was awarded the **Innovation Award**.

Outcome:

- A strong, positive safety culture encourages all laboratory workers to place the highest priority on best practices
- Such sessions support the free exchange of safety information, emphasizes learning and improvement, and assigns greater importance to solving problems than to placing blame.
- High importance is assigned to safety at all times, not just when it is convenient or does not threaten personal or institutional productivity goals.

**‘Live Demonstration on Fire Fighting Safety Measures’
REPORT**

01/12/2021

Internal Quality Assurance Cell and Staff welfare committee organized ‘Live Demonstration on Fire Fighting Safety Measures’, for the Non-teaching staff on Tuesday, November 30, 2021. The session was conducted by Mr. Manoj Erande (Wadala Fire station).

Time: 10.30 am to 12.30 pm

Venue: College Gymkhana Hall

Objectives:

- to minimise the risk to life and to reduce injury by maintaining the physical fire safety of the ,in ensuring that staff, do not add to the fire risk and through safe evacuation of the building/s if a fire breaks out.
- To have an effective and proactive system of fire prevention, aimed at identifying those circumstances that could lead to a fire if not recognised.

Welcome Speech was delivered by Dr. Usha S Iyer, Principal S.I.W.s College. The session started with a talk on fire fighting measures by Mr. Manoj Karande. He spoke on risk assessment system that includes assessment of the risk from fire and the identification of adequate preventative controls carried out by a fire consultant annually. Physical explanation and demonstration of Equipment for dealing with a fire that might break out and the appropriate positioning of such equipment to enable quick and easy access to it, was carried out. Live demonstration of usage of fire extinguisher and Emergency drills were carried out and, non- teachers, are aware of the procedures.

Number of Participants: 37

Outcome:

- The staff became more aware of their surroundings and knowing what can ignite a fire.
- They can even each contribute by doing simple things such as:

Keeping the workplace clean

Smoking in designated areas

Keeping machinery properly serviced

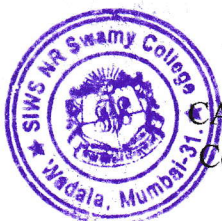

Storing chemicals safely

Never blocking fire doors, sprinklers, or extinguishers

Being aware of the combustion triangle

The event concluded further explanation on powerpoint by the speaker in room CB 208.

Report of talk on Voice Culture

Voice culturing is a prerequisite to the teacher community. Therefore, it was the need of the time to have a training on the voice only to overcome the fatigueness, and exhaustion. Shri Shrikant Kshirsagar - Co Founder & Facilitator had talked on "Voice Care Hygiene and Maintenance -The Yogic Way" on 23/12/19. Objective of the programme was that it is Designed to provide useful Techniques to participants in improving their Voice Care – Hygiene and Maintenance. The Techniques covered will immensely benefit Teachers Trainers and Speakers

Shri Shrikant Kshirsagar said Voice reflects our feelings, hence a suitable voice is essential for expressing our emotions properly. Teachers & Trainers put Vocal Cords to ultimate test. While it is necessary in the Profession to speak for long hours, it is important to take care of the Vocal Health, Hygiene and Maintenance regularly. He said The Structure for the Voice production requires Activators: The Breathing Apparatus - Lungs, Diaphragm Vibrator: Voice Box or Larynx Resonators: Oral Cavity - Tongue, Teeth, Nose etc., To Maintain & Improve the Voice Function all the above 3 Units need Hygiene and Care. Vocal Care: Hygiene and Maintenance is about taking necessary Precautions of the Voice Apparatus & practicing the suggested Techniques regularly. Select yogic Exercises for Neck, Throat & Facial Region. Breathing Techniques for Voice Care and Modulation Cleansing Practices of Nasal & Throat Region Tip's on Voice Care.

After the programme our Principal madam thanked the speakers and demonstrator and the staff dispersed for their winter vacation after enjoying the delightful and sumptuous lunch at Gujarati seva mandal.

I.Q.A.C Lecture

Matrices of a Successful Organisation

REPORT

8th October, 2018

The lecture was organized by I.Q.A.C. of S.I.W.S. college on 6th October, 2018. The topic for the lecture was Matrices of a successful organization.

Date: 6th October, 2018.

The chief guest and speaker for the lecture was Mr. G. Ramakrishna aka GEERA, co-founder and director, Galaxy Surfactants Ltd. He qualified from the S.I.W.S. school in 1966. After pursuing his M.Com. from University of Mumbai and professional CA and ICWA degrees, he wanted to do something innovative. After taking inspiration from the teachings of Dr. A.P.J. Abdul Kalam and paying several visits to his house in Rameshwram, he probably found his way. By making a tie up with Mr. Shekhar Ravindranath, Mr. Unnathan Shekhar and Mr. Sunil Patil, post-graduates from then U.D.C.T., the plan was decided to prepare surfactants. They started with production of surfactants, with the first batch production done in June, 1980. And later, they never looked back.

Currently, Galaxy Surfactants Ltd. is one of the premier and world-wide recognized industry. Their mother plant is located in Taloja, Maharashtra, with other plants located in Tarapur, Maharashtra, Egypt and New Hampshire. They produce surfactants and speciality chemicals to be distributed to well-known MNCs in the world market namely, Procter & Gamble, Uniliver, L'Oreal, Henkel, Johnson & Johnson, Colgate, Ecolab and many more. 65% of their sale is from out of India - a true Indian MNC - working on Make in India guidelines of the current government. Their products as Skin care, Hair care, Oral care and Home Care are supplied in ninety-two countries. They are truly working towards their mission – 'From Global Suppliers to Global Brands'.

CHEMISTRY DEPARTMENT

Invited talk on 'Safety Handling of Laboratory Glasswares'

Objective:

To apprise the students and the laboratory personnel of the hazards in the chemistry laboratory due to improper handling of glassware

Date and Time: December 24, 2016 at 12:30 p.m.

Venue: Audio – Visual room (307)

'Safety Handling of Laboratory Glasswares', was organized in association with 'Borosil Glass Ltd.' Mr Umashankar Varma, international sales manager of Borosil was invited for the same. The topic, was justified by the speaker. The details of glass properties, processes like tempering, annealing, manufacturing units, usage etc. was covered during the discussion. The talk was interspersed with short video clippings, which made it very interesting to the students. Students were informed about the Do's and Don'ts while handling glassware in the laboratory.

Participant Count: Number of Students – 63 & Laboratory Personnel - 07

Outcome:

- Students were more alert and careful while performing their experiments in the laboratory
- Both students and laboratory staff handled the glassware cautiously
