Respected Sir,

With reference to the discussion you had with Arpith Kotian regarding Robin Hood Academy's educational project for underprivileged kids nearby SIWS college on the streets of Rafi Ahmed Kidwai Marg and Wadala Station (W) area.

As we move forward with our collaboration, let us introduce ourselves. We, Robin Hood Academy, are an initiative of Robin Hood Army with following objectives -

1. To bridge the gap between schools and streets, giving our children the tools and knowledge to motivate them to go to school full-time.
2. Create access to education and conduct regular weekend Academy session and excursions with a standardized curriculum to introduce and drive the spirit of learning.
3. To mentor the kids already going to school, so as to avoid mid schooling drop outs.
4. Imparting practical education which will show immediate results in their daily lives.
5. To work on their personality development, hygiene and cleanliness, extra-curricular activities like sports, arts, music and dance.
6. To predominantly work on street dwelling children and their parents, especially women, with an intent of impacting their personalities and inspiring them for holistic growth.

Whereas, Robin Hood Army serves hungry citizen and avoids food wastage by serving it to hungry citizen. Robin Hood Army also serves underprivileged people in every possible manner, but our primary aim is to serve the needy people with freshly cooked meals or excess food.

As discussed in our previous meeting, we are working professionals and are only available on weekends to conduct teaching sessions for our academy children. These sessions can be conducted for only 5 hours max. per week, which is not sufficient enough for the educational program we are conducting.

Robin Hood Army

Hence, we would request you to help us with student volunteers to conduct Academy related activities. (Description and schedule of the activities shall be given to you once we both confirm the collaboration. All of these activities would not exceed 5 hours duration in a week)

As DLLE and Robin Hood Academy share the same goal, we strongly feel this would be a great initiative to collaborate these two for a better future of these kids by educating them, making them self-dependent and to show them a possible world with endless opportunities. We would need help of 10 students for 5 hours in a week till April, 2020.

We would be glad to clarify any questions or concerns regarding the collaboration with college and our working. Also, let us know if Robin Hood Academy has any deliverable.

Anticipating a positive synergy,

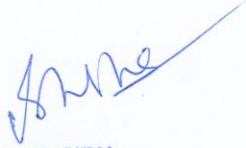

Thanks & Regards,

Gaurav Phatak

These sessions aimed at giving children the overall growth, encouraged them to be more forthcoming, interactive and come out of their inhibitions.

Friendly learning environment was created for the kids.

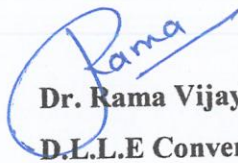

Apart from Academics, sessions on importance of cleanliness, discipline, manners, & etiquette was also incorporated

After every session, healthy snacks and fruits as an incentive for the kids to be regular in the class was arranged

Final Session of education project under IOP was conducted on 6th March 2020. Principal Dr. Usha Iyer graced the occasion by giving away the gifts donated by the teachers of SIWS College.

Outcome:

- Handling of kids from slums and teaching them in methods and language they understood was difficult but our students were up to it, they learnt to be patient and tolerant.
- Students also understood the importance of caring and helping the society in whatever means they could. This will surely develop them to become a responsible citizen of this country.
