DISTRICT LEVEL 2-DAYS THEME BASED WORKSHOP **17th & 18th January 2019**

“Clean India for Better Tomorrow”

SIWS College in collaboration with University of Mumbai, under NSS unit organized for the first time District Level theme based workshop **“Clean India for Better Tomorrow” for 2 days on 17th and 18th January 2019.Total 58 students from 18 different colleges** participated in this workshop.

The Programme was inaugurated by **Prof. Vijay Gawde** (Area Coordinator, NSS Mumbai University , Vice Principal – Vidyalkar college) along with our Vice Principal (Science) Prof. Neeta Khanolkar.

The aim of the workshop was to highlight on the concept of Swachh Bharat Abhiyan, and to educate them about various forms of waste and how to deal with them in our day to day life.

Our first speaker for the day was **Mr. Jayant Joshi**, who is a Microbiologist by profession and has received Paryavaran Mitra award from TJSB bank, Innovation Excellence award from Rotary club. He covered the topic on **‘Decentralization of Solid Waste Management’**. He explained how segregation of waste can be done. The mantra of reduce, reuse and recycle of our own waste and composting it in our homes. At the end of the session students were asked to make the list of plastic used in their daily life and how they can reduce the use of the same.

Our second session was taken by **Mrs Rashmi Joshi** who is working as consultant in solid waste management, also awarded with Nari Swashakti Purashkar. The speaker emphasized on collection, treatment and disposal of solid materials. She also focused on improper disposal of municipal solid waste which can create stagnant conditions which can lead to pollution and outbreaks of vector borne diseases. Students were shown some images of dumping ground, their current scenario and how our future is at risk. Students were further explained on E- waste (Electronic Waste) which contains 1000 times more powerful chemicals, which can come in direct contact to human beings on exposure of sunlight creating deadly diseases like cancer or TB.

Our third session for the day was by entrepreneur, **Mr., Devendra Singh** and his teams who provide **employment for women in Diva, Mumbai**, and These women make paper and cotton bags to earn their livelihood. These bags are further sold in shops and malls. Mr. Devendra also shared his experience of being an NSS student, what life lessons he learnt from NSS which further helped in opening his profitable Organisation in making recycling bags. Later the students were demonstrated on how to make paper bags with old newspapers. All students participated and thoroughly enjoyed the session.

Our last session for the day was from Prof. Santosh Pathare, who is currently working as journalist, columnist, also was a part of jury in International film festival at Norway, South Africa. The speaker emphasized on first cleaning our heart and mind, then focusing on our home, society, nation. He had interactive session with students asking them how they helped their parents at home and making it a habit on daily basis and teaching them to be kind with people who are working in streets and roads. The session started and ended with chorus song on Swachata.

Day 2: 18th Jan 2019

First session: “Hygiene and Sanitation” by Dr. Deepika Nandanwar, Assistant Professor Department of Community Medicine, KEM Hospital. The main reason to have this session was to educate students on basic hygiene such as taking bath, keeping our body, nails, hair clean. Healthy lifestyle and Healthy food were given prime importance in this session. Later this session also focused on the problem faced by open garbage and the issues with flies and mosquitoes. She also discussed on vaccinations to be taken as preventive measures are always better than cure.

Session 2: Started with two young ladies of Sangam Pratishthan Miss Komal Ghag and team, who are into dry and wet waste segregation, since 6 years. They shared their life experience achievements and challenges faced. As an initiative they have also started with **Mumbai’s Fort clean up and Maintenance drive**.

Session 3: BMC Officers Mr. Dani and team took a session on Solid Waste Management.

Session 4: by Subhash Dalvi, Nodal officer put light on Mumbai’s known slum “Dharavi”. Dharavi cleaning initiative was taken up and he leaded this activity. The experiences he had in interacting with localities living in this area and how they are struggling was portrayed by different examples. Today he is proud to say that he has created a good surrounding for the people living there.
