Resonance - Intercollegiate Technical Event

Resonance - a platform for the students to show case their creative thinking and technical skills. The thirteenth year of inter-collegiate technical fest was organized by the Department of Information Technology on February 7 and 8, 2020. Our Alma mater Mr. Thyagarajan working in Oracle India was invited as chief guest to felicitate the fest. Students from various colleges across Mumbai participated in the events like virtual reality, hard shoot, Cross coding and many more. Around 500 students of more than 25 colleges enthusiastically participated in the events and were excited to win goodies and prizes as winners.

Industrial Visit

The industrial visit was organized to Jodhpur and Jaisalmer on 9th to 14th December, 2019. The students visited "Shree Ram Colloids Private Ltd." in Jodhpur. Students gained knowledge of their Production process, product quality testing and their machinery. The Company mechanically de-husks, hydrates, mill and screen Gaur Seeds. The production of gaur gum normally uses roasting, differential attrition, sieving and polishing.
