DEPARTMENT OF ENVIRONMENTAL STUDIES

REPORT FOR THE ACADEMIC YEAR 2021-22

30th April, 2022

The department members teach Environmental Studies to F.Y.B.Com. students and Foundation Course to S.Y.B.Com. and S.Y.B.Sc. students. The department members have been actively contributing in N.A.A.C., I.Q.A.C., Website and Information Cell, Magazine Committee, Nature Club and Hiking Club. The aim of the department is to achieve holistic development of students. The overall development of the students is achieved by conducting the following student centric activities.

Certificate Course on 'Introduction to Disaster Management': The Department of Environmental Studies of S.I.W.S. College offered an online professional introductory level course on Disaster Management followed by a training program by Aniruddh Academy of Disaster Management (A.A.D.M.) from 25th August, 2021 to 3rd September, 2021. The course faculty comprised of academicians and leading experts with enormous experience in the field of disaster management. The course was conducted in online mode using Google Classroom – Google Meet Platform. The course provided students with real life case studies of disasters and their management at individual level. Twenty two students registered and qualified in the course. Graded certificates were provided to all the qualified students.

Online Certificate Course on 'Greener Approaches to Environmental Problems': Departments of Physics, Chemistry, Microbiology, Environmental Studies and I.Q.A.C. organized Certificate Course on 'Greener Approaches to Environmental Problems' from 26th November to 8th December, 2021. This course was designed to make students aware of the emerging environmental challenges and to train them to promote the idea of conservation and sustainability at individual level. Evaluation was based on scores obtained during Multiple Choice Question test, active participation and overall conduct of the participant during the course. 169 students qualified in this course. E-certificates were issued to all the participating students.
