## ANNUAL REPORT FOR THE ACADEMIC YEAR 2022 - 2023

S.I.W.S. College constantly strives for academic excellence. The journey which started in 1980 has exhibited an upward trend till date in the fields of academic, co-curricular, extra-curricular and extension activities. In the age of globalization, where information is universally and easily available, the College has striven to provide the tools necessary for our students to face the challenges of the competent world. The College takes untiring efforts to provide educational opportunities to socially and economically weak students and offer quality education to them, this involves problem solving and imparting leadership skills as was perceived by our founders and enshrined in our mission. The year 2022-2023 was marked with activities and events successfully conducted by students, guided by the teachers. This is attributed to the dedication and team spirit of energetic students, hardworking staff members, dedicated administration and vibrant management.

### **A) NAAC Related Activities:**

I.Q.A.C. from its inception has played a pivotal role in bolstering the institutional quality standard. The prime agenda of I.Q.A.C. for this academic year was to go for third cycle of N.A.A.C. accreditation. The Self Study Report submission process and Data Validation and Verification was accomplished in online mode on N.A.A.C. portal.
