Value Laboratory

ANNUAL REPORT: 2023-24

Activities conducted during the academic year 2023-24

Following activities were organized as part of the value laboratory during the academic year.

1. Department of Lifelong Learning & Extension (D.L.L.E) in association with Value Laboratory organized a **Story telling session** on 3rd November 2023, from 11.45 am to 1.00 pm in Room no. MB 213 for underprivileged children from the nearby locality in which 12 children participated. Dr. Kirti Nakhare, Convener of Value laboratory, S.I.W.S College narrated a short story on the theme '*Ubuntu – I am because we are.*' The story highlighted on how the society can be made into a better place by simple acts of cooperation and sharing. To understand whether the moral has been sensitized, the children were asked to form a human chain and march towards the pandora where one child must lead the others. After a few trials, the children walked forming a human chain and the leader who grabbed the pandora box shared the items with others.
2. Lecture on Value: 'Sympathy' was organized on 12th January,2024 at the NSS Camp, Shantivan,Nere. 38 NSS Volunteers participated and the event was handled by Dr. Kirti and Nakhare and Dr Rama Vijaykumar. The objective of the talk was to introduce students to the value of 'sympathy'. Dr. Kirti Nakhare conducted the session on the Value-Sympathy.

She explained the difference between Apathy, Empathy, Sympathy and Compassion and also emphasized the need for youth to hold on to the value.
